of her mouth from drooping. In addition, Dr. David Bank, a dermatologist in Mount Kisco, New York, who also does not treat Whitney, gives the star props for maintaining her youthful cheeks. She's "probably done it with fillers, which give her more definition

## The Man's View

### Golnesa "GG" Gharachedaghi

The pampered Shaka of Sunset star, 32, recently whittled her middle and boosted her butt. Using AirSculpt Laser Liposculpture, Beverly Hills plastic surgeon Dr. Aaron Rutkin sucked a liter of fat from her abdomen and transplanted it to her bum, in what is known as a Brazilian butt lift. With three inches gone from her waistline and a shapely new posterior to boot, the Persian Princess' new bod went over big with men we polled. Call it a case of sexy shape-shifting.

MIRACLE IN A JAR

It's been said that comedy isn't pretty. But nothing could be further from the truth when it comes to funny lady Whitney Cummings, 32. With the help, experts say, of some cosmetic fine-tuning, the comedian and *2 Broke Girls* co-creator has gone from stand-up to standout — still getting big laughs while banishing the laugh lines. "She's evolved from the girl next door to a highly styled Hollywood woman," notes Beverly Hills plastic surgeon Dr. Jon Perleman, who does not treat the star. An arduous nose job, he believes,

and elevate them to restore the triangle of youth [an inverted pyramid based on the broadest part of the face across the cheekbones, which tapers down to the tip of the chin]. In other words, this comic's beauty tweaks are no joke! ☺
