Medical Appointment Cancellation Policy

Dear Patient:

We strive to render excellent medical care to you and the rest of our patients. In an attempt to be consistent with this, we have a Medical Appointment Cancellation Policy that allows us to schedule appointments for all patients. When an appointment is scheduled, that time has been set aside for you and when it is missed, that time cannot be used to treat another patient.

Our policy is as follows:

We request that you please give our office a 24-hour notice in the event that you need to reschedule your appointment with the physician. This allows other patients to be scheduled into that appointment. It also makes it possible to reschedule your appointment more efficiently. If a patient misses an appointment without contacting our office, this is considered a missed appointment ("No Show, No Call"). A fee of \$50.00 will be charged to you for a missed appointment. If a patient accumulates a total of three (3) missed appointments, the patient may not be rescheduled for future appointments and will be asked to leave the practice.

Additionally, if a patient is more than 15 minutes late to his/her appointment, the appointment may be cancelled.

If you have any questions regarding this policy, please let our staff know and we will be glad to clarify any questions you have.

I have read and understand the Medical Cancellation Policy of the practice and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time to time by the practice.

<u>For Payment.</u> We may use and disclose medical information about you so that the treatment and services you receive may be billed to and payment may be collected from you, an insurance company or third party. We may also tell your health plan about a treatment you are going to receive in order to obtain prior approval or to determine whether your plan will cover the treatment. We may also disclose information about you to order healthcare facilities for purposes of payment as permitted by law.

Payment Policy

Thank you for choosing us as your primary care provider. We are committed to the success of your medical treatment and care. For your convenience we have answered a variety of commonly asked financial questions below. If you need further information, please ask to speak with the billing manager.

- 1. You will be asked to provide your insurance card (s) at every visit or if your insurance changed, please notify us. This is to ensure that the information we have is correct, and that your plan is current and in which we participate. Out of date cards with incorrect information or the wrong insurance cards can cause unnecessary delays in the payment of your plan. Frequently small changes (for example, a group number change or plan change) may not be considered significant by patients, but insurers will not process claims that are not 100% accurate.
- 2. We will submit insurance claims for our patients. However, the agreement of the insurance carried to pay for medical care is a contract between you and carrier. You should direct any questions and/or complaints regarding coverage to your insurance carried, your employed or to your agent. It is the responsibility of the patient to understand his/her medical benefits. There may be limitations and exclusions to coverage. Patients are responsible for any co-insurance, deductible and any other non-covered billable services. Please be aware that the balance of your claim is your responsibility. If you are self-pay it will cost \$150.00 and follow up is \$100.00
- 3. All office co-pays are to be paid at the time of service. **This is an insurance company policy.** We accept cash, credit/debit cards and checks.
- 4. Balance is due 30 days from when the bill is issued. Bills will be issued after the insurance carrier pays their portion. In addition to paying through mail, credit card information may also be called in to the billing office during business hours at 425-208-0026.
