FINANCIAL POLICY

(Please Read Carefully)

Payment is required at the time of service. We accept cash, personal check, or credit card.

AESTHETIC (COSMETIC) SURGERY

Since these procedures are not covered by insurance, Aesthetic (cosmetic) surgery is always prepaid, in full, two weeks prior to surgery.

PERSONAL HEALTH INSURANCE

Every attempt will be made to help you so that you are reimbursed by your insurance carrier for the surgical fee and any payments that are due on office visits. However, please remember an insurance contract is made between the patient and the insurance carrier and not the physician. The amount paid by the insurance carrier is specified in your contract and mayor may not be the same as the value of the physician's services. The ultimate obligation for payment of services rests with the patient. Even though an insurance claim may be filed, you (the patient) are responsible for the total amount due. This office cannot accept responsibility for collecting your insurance claim or for negotiating its settlement.

MEDICARE

If you are a Medicare patient, please verify that we have all of the correct information regarding your Medicare coverage. If you have a supplement that is not a Medigap policy, you will be responsible for co-payments at the time of visit. You are responsible for all deductibles, co-payments and any procedure deemed not medically necessary by Medicare.

WORKERS' COMPENSATION

If you are being seen for a Workers' Compensation injury you will be required to provide us with the employer, phone number and contact person or adjuster, so that we may verify coverage and obtain authorization for treatment. If this is an emergency and we are unable to obtain authorization prior to treatment, the patient will be entirely responsible for all fees until treatment has been authorized. If possible, please provide us with a First Notice of Injury, supplied by your carrier.

COLLECTION FEES

If your account falls delinquent, we reserve the right to charge interest not to exceed 1.5 monthly. If collection proceedings should occur, the patient assumes the responsibility of collection and attorney fees. I agree to protect Dr. Dardano's fees in case of payments received because of legal settlements.

I HAVE READ THE FINANCIAL POLICY STATED HEREIN AND AGREE TO THE TERMS AS STATED.

NOTICE OF SELF INSURANCE

Society has forced the practice of medicine to become more like a business rather than a medical profession. Due to the rising costs and lack of insurance carriers, I have been forced to make a business decision not to purchase medical malpractice insurance. I am required by Florida Statute 458.320 to inform you with the following statement…

"Under Florida law, osteopathic physicians are generally required to carry medical malpractice insurance or otherwise demonstrate financial responsibility to cover potential claims for medical malpractice. YOUR OSTEOPATHIC PHYSICIAN HAS DECIDED NOT TO CARRY MEDICAL MALPRACTICE INSURANCE. This is permitted under Florida law subject to certain conditions. Florida law imposes strict penalties against noninsured osteopathic physicians who fail to satisfy adverse judgments arising from claims of medical malpractice. This notice is provided pursuant to Florida law."
