

September 21, 2021

Jeffrey Klein, MD
UC Irvine - Dept of Dermatology
30280 Rancho Viejo Rd
San Juan Capistrano, CA 92675-1561

Dear Jeff:

On behalf of the Board of Directors and membership of the American Society for Dermatologic Surgery, it is my distinct pleasure and honor to recognize you with a President's Award in 2021. Award recipients are selected each year by the president to honor those who have contributed to the specialty and/or ASDS in an extraordinary or unique way.

This award is a token of my sincere appreciation and recognition for your tireless efforts advancing the specialty and mission and vision of ASDS. Your discovery of the use of tumescent solution in conjunction with the liposuction procedure has had far-reaching implications for the practice of dermatologic surgery and the safety of our patients. It is one great example of our pioneering spirit.

I look forward to recognizing you with this award at the Annual Membership Meeting during the ASDS Virtual Annual Meeting. It will be held from 11:30 am – 12:30 pm on Saturday, November 20.

Sincerely,

Mathew Avram, MD, JD
President
