

CURRICULUM VITAE

NORBERT GLEICHER, MD

Revised: 05/10/2022

CURRICULUM VITAE

Norbert Gleicher, MD (email: ngleicher@thechr.com)

Address	The Center for Human Reproduction 21 E. 69 th Street, New York, NY 10021
Telephone	212-994-4400
Date of Birth	August 20, 1948
Place of Birth	Cracow, Poland
Citizenship	United States

Academic Background

1954-1966	Grammar and high school, Vienna, Austria
1966-1970	Vienna University School of Medicine
1970-1973	Tel-Aviv University School of Medicine, Tel-Aviv, Israel - MD Degree
1973-1974	Rotating internship, Ihilov Municipal Hospital, Tel-Aviv, Israel
1/1975- 6/1975	Research Fellow, Department of Obstetrics & Gynecology, Mount Sinai Medical Center, New York (GYN-Tumor Immunology)
1975-1978	Residency in Obstetrics & Gynecology, Mount Sinai Medical Center, New York; Chairman, S.B. Gusberg, MD
1978-6/1981	Assistant Professor, Department of Obstetrics & Gynecology, Mount Sinai School of Medicine of the City University of New York
1981-1986	Assistant Professor of Immunology and Microbiology, Rush Medical College, Chicago, Illinois
1981-1990	Professor of Obstetrics and Gynecology, Rush Medical College, Chicago, Illinois
1987-1990	Associate Professor of Immunology and Microbiology, Rush Medical College, Chicago, Illinois
1991- 04/1996	Professor of Obstetrics and Gynecology and Professor of Immunology, Microbiology, the University of Health Sciences/Chicago Medical School, North Chicago, Illinois
04/1996- 09/1999	Clinical Professor of Obstetrics and Gynecology, University of Illinois at Chicago, Chicago, Illinois
2000-2002	Adj. Clinical Professor of Obstetrics and Gynecology, New York University School of Medicine, New York, NY
2003-2011	Vis. Professor of Obstetrics and Gynecology, Yale University School of Medicine, New Haven, CT
5/2015- 6/2017	Professor (Adjunct), Laboratory Stem Cell Biology and Molecular Embryology, Rockefeller university, New York, NY
3/2016- Present	Professor (Adjunct), Department of Obstetrics & Gynecology, Medical University Vienna, Vienna, Austria
6/2017- Present	Guest Investigator, Laboratory Stem Cell Biology and Molecular Embryology, Rockefeller university, New York, NY

Medical Licenses

E.C.F.M.G.	#2024628
State of New York	#131555-1 (active)

State of Virginia	#28644
State of Illinois	#036-062902 (active)
State of Indiana	#01042178
State of California	#A38772 (active)
State of Connecticut	
State of Florida	

Specialty Boards

Diplomat, The American Board of Obstetrics and Gynecology 1981
Voluntary recertification 1999

Certifications

Fellow, American College of Obstetricians and Gynecologists (FACOG)
Fellow, American College of Surgeons
Advanced Council for Gynecologic Endoscopy, Inc., Certification for advanced operative laparoscopy and hysteroscopy.
The American Board of Obstetrics and Gynecology, 1981; Voluntary Recertification, 1998.

Professional Appointments

1/1979- 6/1981	Assistant Professor, Department of Obstetrics and Gynecology, Mount Sinai School of Medicine of the City University of New York, New York, New York
	Director, Laboratory of Reproductive Immunology.
	Assistant Attending, Department of Obstetrics and Gynecology, Mount Sinai Services at Elmhurst General Hospital, Queens, New York
	Member, Student Promotions Committee, Mount Sinai School of Medicine, New York
	Member, Curriculum Committee, Mount Sinai School of Medicine, New York
1/1979- 1/1981	Course Director of Reproduction Course (2nd year Medical School Curriculum); Director of Medical Education, Department of Obstetrics and Gynecology Mount Sinai School of Medicine; Course Director, Reproduction Section, Pathophysiology Course, CUNY. New York
2/1979- 6/1981	Director, Division of Reproductive Immunology, Department of Obstetrics and Gynecology, Mount Sinai School of Medicine, New York
7/1980- 1/1981	Chairman, Medical Education Committee, Department of Obstetrics and Gynecology, Mount Sinai School of Medicine, New York
7/1980- 6/1981	Chairman, Subcommittee D of the Curriculum Committee, Mount Sinai School of Medicine, New York
1981-2002	Chairman, The Center for Human Reproduction, Illinois
6/1981- 1990	Chairman, Department of Obstetrics and Gynecology, Mount Sinai Hospital Medical Center, Chicago, Illinois
6/1981- 1990	Member and Chairman of many committees, Mount Sinai Hospital Medical Center, Chicago, Illinois. Full list available on request.
1990-1994	Attending, Department of Obstetrics and Gynecology, Mount Sinai Hospital Medical Center, Chicago, Illinois
1987- Present	President, The Foundation for Reproductive Medicine

1990-2004	Attending, Department of Obstetrics and Gynecology, Michael Reese Hospital Medical Center, Chicago, Illinois
1990-2004	Attending, Department of Obstetrics and Gynecology, Grant Hospital, Chicago, Illinois
1992-1993	Attending, Department of Obstetrics and Gynecology, St. Francis Hospital of Evanston, Evanston, Illinois
1993-2004	Consultant, Department of Obstetrics and Gynecology, St. Francis Hospital of Evanston, Evanston, Illinois
1995-1996	Consultant, Department of Obstetrics and Gynecology, Mount Sinai Hospital Medical Center, Chicago, Illinois
1996-3/1997	President, CEO and Chairman of the Board, GynCor Inc.
3/1997-9/1998	CEO and Chairman of the Board, GynCor, Inc.
1998-1999	Chief Medical Officer and Chairman of the Board, GynCor, Inc.
1999-2004	Chairman, President, and Medical Director, The Center for Human Reproduction, IL
1999-Present	Chairman, President and Medical Director, Medical Offices for Human Reproduction, New York
9/1999-Present	Attending, Department of Obstetrics and Gynecology, Lenox Hill Hospital, New York, New York
2000-2003	Visiting Professor, XX of Ob/Gyn, NYU University, New York, NY
2004-2010	Visiting Professor, Department of Ob/Gyn, Yale University, New Haven, CT
2015-2017	Professor (Adj), Rockefeller University, New York, NY
2017-Present	Professor (Adj), Department of Ob/Gyn, Vienna Medical School, Vienna, Austria
2018-Present	Guest Investigator, Rockefeller University, New York, NY

Editorial Boards

1979-1982	Editorial Board, <u>The Mount Sinai Journal of Medicine</u>
1990	Editor, "Seminars in Reproductive Medicine," <u>The Mount Sinai Journal of Medicine</u>
1980-2001	Editor-in-Chief, <u>American Journal of Reproductive Immunology and Microbiology</u> , official organ of The American Society for the Immunology of Reproduction
1983-2007	Editor-in-Chief, <u>Journal of In Vitro Fertilization and Embryo Transfer</u> ; renamed <u>Journal of Assisted Reproduction and Genetics</u> , 1992
1984-1990	1984-1990 Contributing Editor, <u>The Mount Sinai Journal of Medicine</u>
2008-Present	Member, <u>Expert Review in Obstetrics & Gynecology</u>
2008 – Present	Editorial Board Member, <u>International Journal of Obstetrics and Gynecology</u>
2009-2014	Editorial Board Member, <u>RBMOnline</u>
2012-Present	Editorial Board Member, <u>Asian Pacific Journal of Reproduction</u>

2012-Present	Faculty Member, <u>Faculty of 1000</u>
2014-2019	Academic Editor, <u>PLoS ONE</u> Editorial Board
2015-Present	Editorial Board Member, <u>Endocrine</u>
2015-Present	Editorial Board Member, <u>Journal of Reproductive Biology and Endocrinology</u>
2017-Present	Editorial Board Member, <u>Journal of Translational Medicine</u>
2021-Present	Editorial Board Member, <u>Clinical and Translational Medicine</u>

Book Editorships

1. Gleicher N (ed): Reproductive Immunology. Progress in Clinical and Biological Research, Volume 70. Alan R. Liss, Inc., New York, New York 1982.
2. Elkayam U, Gleicher N (eds): Cardiac Problems in Pregnancy. Diagnosis and Management of Maternal and Fetal Disease. Alan R. Liss, Inc., New York, New York, 1982.
3. Gleicher N (ed.): Principles of Medical Therapy in Pregnancy. Plenum Publishing Corporation, New York, New York; 1985.

12. Gleicher N (ed): Principles & Practice of Medical Therapy in Pregnancy, 3rd edition. Appleton & Lange, Stamford, Connecticut, 1998.

Guest Editorships

1. Reproductive Immunology: "Festschrift in honor of Saul B. Gusberg, M.D., D.SC", Mount Sinai J Med 1980; 47:5.
2. Reproductive Immunology: Immunology & Allergy Clinics of North America 1990; 10:1:W.B. Saunders Company, Philadelphia, Pennsylvania, February 1990.
3. Autoimmunity in Reproduction: Immunology & Allergy Clinics of North America; 14:4; W.B. Saunders Company, Philadelphia, Pennsylvania, November 1994.

4. Managed Care: Infertility & Reproduction Medicine Clinics of North America; 9:1; W.B. Saunders Company, Philadelphia, Pennsylvania, January 1998.

Memberships

American Association of Gynecologic Laparoscopists
American College of Obstetrics and Gynecologists (ACOG)
American College of Physician Executives
American College of Surgeons
American Federation for Clinical Research
American Institute of Ultrasound in Medicine
American Medical Association
American Medical Society of Vienna
American Society for the Immunology of Reproduction
American Society for Reproductive Medicine (formerly AFS)
American Society of Abdominal Surgeons
Association of Professors of Gynecology and Obstetrics (until 1990)
Central Association of Obstetricians and Gynecologists
Chicago Association of Gynecologic Endoscopists
Fallopian International Society (FIS)
Federation of American Societies for Experimental Biology
GynecoRadiology Society (now Special Interest Group – Imaging, ASRM)
Illinois Perinatal Association
International Association of Private Assisted Reproductive Technology Clinics and Laboratories
International Society for Gynecologic Endoscopy
International Society for the Study of Hypertension in Pregnancy
Israel Medical Society
Reproductive Biology Professional Group of the American Society for Assisted Reproductive Technology
Society for Male Reproduction and Urology of the American Society for Reproductive Medicine
Society for Reproductive Investigation
Society for Reproductive Medicine
Society of Obstetric Medicine
The American Association of Immunologists
The Chicago Gynecological Society
The Endocrine Society
The New York Academy of Sciences
The New European Surgical Academy
Yale Obstetrical and Gynecological Society
World Association of Medical Editors (WAME)

Grants

In addition to the continuous support from the Foundation for Reproductive Medicine:

07/79-06/80	Lalor Foundation Fellowship
07/79	The Beckman Company

07/80-06/81	Lalor Foundation Fellowship (renewal)
01/82-12/82	Development and Research Contract, Kontron Medical Instruments
1982-1983	Family Focus Grant, State of Illinois
1983-1984	Family Focus Grant, State of Illinois (Renewal)
1983-1984	Family Planning Center Grant
1985-1987	Institutional Grant, Mount Sinai Hospital
1986-1987	Sears, Cesarean Section Community Grant
1988	Blue Cross/Blue Shield of Illinois Cesarean Section Reduction Initiative Grant
1988	Blue Cross/Blue Shield of Illinois Consultation Services Grant
1988	Estrogen Equivalence Study, PBI, Denver, CO 80223
1988-1990	Transvaginal Balloon Tuboplasty Study, Multicenter Study with Mount Sinai Hospital Medical Center as lead center. C.R. Bard, Inc., Billerica, MA 01821
1988-1994	Consultation Contract and Development Support; Bard Reproductive Systems, Billerica, MA 01821

Honors and Awards

06/79	“The Dr. Solomon Silver Award in Clinical Medicine,” presented by “The Richard and Hilda Rosenthal Foundation” at the Mount Sinai Medical Center, New York, New York.
06/80	Program Director, The First S. B. Gusberg Seminar on Reproductive Immunology, New York, June 26 and 27, 1980.
06/80-1983	Vice-President, American Society for the Immunology of Reproduction.
12/80	Co-Director, Mount Sinai Update: Medical and Surgical Complications of Pregnancy. Postgraduate Course of the Mount Sinai School of Medicine, New York, December 11 and 12, 1980.
06/81	Program Chairman, The Second International S. B. Gusberg Symposium
01/82	Board Member, Professional Education Committee, American Cancer Society, Chicago Unit, Chairman, Physicians’ Subcommittee.
05/82	Member, The International Coordination Committee for the Immunology of Reproduction.
06/82	Session Chairman, Third Annual International Symposium on the Immunology of Reproduction, Winston-Salem, North Carolina, June 23-26, 1982.
1982	Reviewer, National Institutes of Health (Site visit team).
10/82	Invited Panelist, The Third World Congress of the International Society for the Study of Hypertension
03/83	Co-Director, A Seminar on In Vitro Fertilization, Chicago, Illinois.
06/83	Moderator: Immunology—Infections, Fourth Annual Chicago Area Schools of Medicine Review Course in Obstetrics and Gynecology, June 6-11, 1983.

06/83	Moderator: Immunologic Environment of the Uterus and Mammary Gland. Fourth International Symposium of the American Society for the Immunology of Reproduction. Park City, Utah, June 8-11, 1983.
11/83	Program Director: Medical Complications of Pregnancy. Postgraduate Course, Chicago, Illinois, November 11-12, 1983.
11/83	Program Director: Basic and Advanced Realtime Ultrasonography in Obstetrics and Gynecology, Chicago, Illinois, November 30 - December 2, 1983
01/84	Session Chairman: Diagnosis and Management of Maternal and Fetal Heart Disease. A Postgraduate Course, sponsored by the University of Southern California, Beverly Hills, California, January 13-14, 1984.
05/84	Session Chairman, 3rd World Congress of In Vitro Fertilization and Embryo Transfer, Helsinki, Finland, May 14-17, 1984.
11/84	Program Director: Medical Complications of Pregnancy Postgraduate Course, Chicago, Illinois, November 9-10, 1984.
5/85	Session Chairman, The 6th International Symposium on the Immunology of Reproduction, Varna, Bulgaria, May 31 - June 2, 1985.
06/85	Reviewer, National Institutes of Health, (site visit team), Study Section HDMC.
08/85	Member, Special Study Section, NICHD for RFA.
09/85	Special Outside Consultant, NICHD.
10/85	Official invited discussant of the Annual Prize Paper of the Central Association of Obstetrician and Gynecologist: Branch et al: The lupus anticoagulant: A recently recognized and treatable cause of recurrent abortion and fetal death. New Orleans, October 10, 1985.
11/85	Boler L., Zbella EA, Gleicher N: Quantitation of proteinuria in pregnancy. The use of single voided urine samples. American College of Surgeons Meeting, Chicago Chapter, November 30, 1985 (2nd prize paper).
03/86	Chairperson, Special Study Section NICHD, RFA, Mechanisms of Immunologic Infertility.
04/86	Session Chairman, Future Aspects in Human In Vitro Fertilization Congress, Vienna Austria, April 2-4, 1986.
04/86	Official Guest Visitor of the Bulgarian Academy of Sciences, Sofia, Bulgaria, April 7-10, 1986.
04/86	Session Chairman, New Aspects in Clinical IVF. At the Future Aspects in Human In Vitro Fertilization Congress, Vienna Austria, April 2-4, 1986.
09/86	Session Chairman, Free Communications. At the Fourth Annual Meeting of the Society for the Advancement of Contraception, Chicago, IL, September 23-26, 1986.
10/86	Visiting Professor, Tokyo University, Tokyo, Japan.
10/87	Invited Honorary Speaker, Annual Meeting of the Korean Association of Obstetricians and Gynecologists, Seoul, South Korea, October 16 and 17, 1987
10/87	Visiting Professor, Niigata University, Japan, October 19 - 21, 1987.
10/87	Visiting Professor, Nagoya University, Japan, October 22 -25, 1987.

10/87	Chairman, Workshop, Immunodiagnosis and Immunotherapy in Reproduction, 6th World Congress on Human Reproduction, Tokyo, Japan, October 25 - 30, 1987.
10/87	Invited Plenary Speaker, Symposium on Immunology of Pregnancy. Idem.
11/87	Visiting Professor, Department of Obstetrics and Gynecology, Wayne State University, November 24, 1987.
08/88	Invited Panelist, Immunotherapy of Recurrent Spontaneous Abortion. Immunological Obstetrics Symposium. Indianapolis, Indiana, August 5-7, 1988.
08/88	Moderator: Autoimmunity in Pregnancy. Immunological Obstetric Symposium. Indianapolis, Indiana, August 5-7, 1988.
12/88	Course Director, Postgraduate Course on Recent Developments in Obstetrics and Gynecology. Chicago, Illinois, December 8-10, 1988.
04/89	Invited speaker, 6th World Congress of In Vitro Fertilization and Alternate Assisted Reproduction, Jerusalem, Israel, April 2-7, 1989.
04/89	Co-chairman, Session on Male Infertility, 6th World Congress of In Vitro Fertilization and Alternate Assisted Reproduction, Jerusalem, Israel, April 6, 1989.
04/89	Co-chairman, International Meeting on Pregnancy Loss, Tel-Aviv, Israel, April 9-12, 1989.
04/89	Invited speaker, International Meeting on Pregnancy Loss, Tel-Aviv, Israel, April 9-12, 1989.
07/89	Invited Workshop Chairman: 4th International Congress of Reproductive Immunology. Kiel, FRG, July 26-29, 1989.
10/89	Visiting Professor, Department of Obstetrics and Gynecology, Keio University, Tokyo, Japan.
10/89	Visiting Professor, Department of Obstetrics and Gynecology, Nagoya University, Nagoya, Japan.
11/89	Transcervical Balloon Tuboplasty: A Multicenter Study. Price paper of the General Program of The 45th Annual Meeting of The American Fertility Society, San Francisco, CA, November 13, 1989.
01/90	Course Director, Postgraduate Course on "The Modern Approach to Tubal Occlusion - Transcervical Balloon Tuboplasty (T.B.T)." Chicago, Illinois, January 26-27, 1990.
02/90	Course Director, Postgraduate Course on "The Modern Approach to Tubal Occlusion - Transcervical Balloon Tuboplasty (T.B.T)." Los Angeles, California, February 23, 1990.
03/90	Session Chairman and Invited Speaker. Workshop on Retrograde Tubal Catheterization, Centre Francais du Commerce Eterieur, Paris, France, March 2-3, 1990.
03/90	Course Director, Postgraduate Course on "The Modern Approach to Tubal Occlusion - Transcervical Balloon Tuboplasty (T.B.T)." New York, New York, March 30 -31, 1990.
06/90	Program Chairman, Tenth Anniversary Meeting of the American Society for the Immunology of Reproduction. Chicago, Illinois, June 20-23, 1990.
06/90	Session Co-chairman, Plenary session on workshop reports. Idem.

06/90	Session Co-chairman, Immunology of Reproduction. 7th World Congress on Human Reproduction. Helsinki, Finland, June 2 - July 1, 1990.
06/90	Session Co-chairman, Technical advances. Idem.
08/90	International Advisory Committee of The International Conference on Rheumatic Disease in Pregnancy, Jerusalem, Israel, May 17-22, 1992.
10/90	Moderator, Gynecology/Obstetrics Panel Discussion. "What's New in In Vitro Fertilization and Other Assisted Reproductive Technologies?" 1990 Clinical Congress of the American College of the American College of Surgeons. San Francisco, October 7-12, 1990 (10/8/90).
10/90	Moderator, Surgical Forum on Gynecology and Obstetrics: Idem (10/10/90).
10/90	Panelist, Gynecology and Obstetrics Panel Discussion: Management of Recurrent Pregnancy Loss. Idem (10/11/90).
10/90	Formal discussant of Martin Jr., JN et al: The Natural History of HELPP Syndrome: Patterns of Disease Progression and Regression. 58th Annual Meeting of The Central Association of Obstetricians and Gynecologists. Louisville, Kentucky, October 11-13, 1990 (10/12/90).
10/90	Chairman Roundtable Luncheon: Transcervical Balloon Tuboplasty (T.B.T.). 46th Annual Meeting of the American Fertility Society, Washington, D.C., October 13-18, 1990 (10/17/90).
05/91	Ehrenkreutz fur Wissenschaft und Kunst. The Knight's Cross of the Order of the Arts & Sciences of the Republic of Austria.
07/91	Panelist, Is There One Best Way For Sperm Processing: 4th Annual In Vitro Fertilization and Embryo Transfer – UCLA School of Medicine, Santa Barbara, California, July 28-31, 1991.
10/91	Chairman Roundtable: Transvaginal Tubal Catheterization Procedures. 1991 Annual Meeting of the American Fertility Society, Orlando, FL, October 20-25, 1991 (10/21/91).
10/91	Member of International Scientific Advisory Committee, 8th World Congress on In Vitro Fertilization & Alternate Assisted Reproduction, Kyoto, Japan, Sept.12-15, 1993. Symposium Participant: Immunobiology of Pregnancy.
10/91	State of Illinois Senate Resolution No. 772 offering the congratulations of the 87th General Assembly on receiving The Ehrenkreutz fur Wissenschaft und Kunst of the Republic of Austria.
11/91	Invited speaker, The Society for Minimally Invasive Therapy, Third International Meeting, Boston, MA; November 10-12, 1991.
01/92	Invited speaker, 13th Japan Endometriosis Symposium, Tokyo, Japan; January 24-25, 1992.
04/92	Invited speaker: Third Conference, Endocrinology and Metabolism in Human Reproduction: The Fallopian Tube. The Royal London Hospital, London, UK, April 1-3, 1992.
05/92	Visiting Professor, Department of OB/GYN, University of Heidelberg; Germany; May 14, 1992.
05/92	Invited lecturer "International Conference on Rheumatic Diseases in Pregnancy", Jerusalem, Israel, May 17 to 22, 1992.

05/92	Invited lecturer “Update in Obstetrics and Gynecology”, University of Missouri-Kansas City School of Medicine; Kansas City, Missouri, May 27- 29, 1992.
08/92	Session Chairman, 5th International Congress of Reproductive Immunology, Rome, Italy, August 30 to Sept 3, 1992.
10/92	Invited Panel Moderator “Tubal Cannulation: A New Horizon,” 1992, American College of Surgeons 78th Annual Clinical Congress; New Orleans, Louisiana, October 11-16, 1992.
10/92	Invited lecturer, “Reducing Cesarean Section Rates”, Evergreen Hospital Medical Center, Kirkland, Washington, October 20, 1992.
11/92	Invited lecturer, “Abnormal Autoimmunity and Endometriosis,” 14th World Congress on Fertility and Sterility, Caracas, Venezuela, November 24, 1992.
1992-1994	President, GynecoRadiology Society (Precursor organization to Imaging in Reproductive Medicine Special Interest Group of ASRM)
04/93	Invited lecturer, “Immunologic Theories of Endometriosis: Role of Humoral Immunity,” VIIIth World Congress on Human Reproduction. Joint IVth World Conference on Fallopian Tube in Health and Disease, Bali Indonesia, April 5, 1993.
05/93	Invited Speaker, “Surgery in the Pregnant Cardiac Patient” Women and Heart Disease, Creighton University School of Medicine, Cardiology Division, Continuing Medical Education Division, Creighton Cardiac Center, Omaha, Nebraska, May 22, 1993.
06/93	Invited Panelist, In Vitro Fertilization, Artemisia News – editoriale di cultura medica – June 1993.
09/93	Invited lecturer, “The Immune System in ART,” 8th World Congress on In Vitro Fertilization and Alternate Assisted Reproduction, Kyoto, Japan, September 13, 1993.
09/93	Invited lecturer, “Gynecoradiology: A New Approach to the Investigation and Treatment of Infertility,” International Symposium of New Reproductive Technology - Endoscopic Transcervical Approaches, Tokyo Japan, September 16-19, 1993.
1993	Secretary/Treasurer, World Academy for Medical Education, Vienna, Austria.
04/94	Visiting Professor, Department of OB/GYN, St. Louis University, St. Louis, MO, April 7, 1994.
05/94	Session Chairman, “New Trends in the Immunologic Aspect of Endometriosis,” 4th World Congress on Endometriosis, Salvador, Bahia, Brazil, May 26, 1994.
05/94	Permanent Panelist “Second Opinion,” weekly TV program on CNBC in affiliation with AMA and JAMA, George D. Lundberg, editor.
10/94	Invited Plenary Keynote Speaker 13th Annual Scientific Meeting of the Fertility Society of Australia, Brisbane, Australia, October 3-7, 1994.
10/94	Session Chairman, Combined Fertility Society of Australia and Australian Gynecological Endoscopy Society, 4th Annual Scientific Meeting, Brisbane, Australia, October 6, 1994.
11/94	Co-Chairman, Conference “New Health Care Horizons for Europe. Defining

	and Managing Change,” sponsored by the World Academy for Medical Education, and the Federal Government of Austria, Vienna, Austria, November 25-27, 1994.
11/94	Grand Rounds-CHR, Michael Reese Hospital and Medical Center, “Gynecoradiology: A New Diagnostic and Therapeutic Approach to Infertility,” Chicago, Illinois, November 30, 1994.
03/95	Chairman Session 3: Ultrasound Diagnosis of Ectopic Pregnancy, Fifth Conference Endocrinology and Metabolism in Human Reproduction.
03/95	Ectopic Pregnancy: Advances in Diagnosis and Treatment. Royal College of Obstetricians and Gynecologists, March 27-29, 1995, London, England
04/95	Member International Scientific Advisory Committee, 9th World Congress on In Vitro Fertilization and Assisted Reproduction, Vienna, Austria, April 3-7, 1995.
04/95	Chairman, Session on Preimplantation Genetic Diagnosis, 9th World Congress on In Vitro Fertilization and Assisted Reproduction, Vienna, Austria, April 3-7, 1995.
04/95	Keynote Speaker, “What Infertility Patients Think about Multi-conceptions: Is it time to Re-Evaluate Current Practice Patterns?” 9th World Congress on In Vitro Fertilization and Assisted Reproduction, Vienna, Austria, April 3-7, 1995.
04/95	Invited Speaker, “Ovarian Stimulation and Hyperstimulation,” Satellite Symposium of the 9th World Congress on IVF and Assisted Reproduction, Budapest, Hungary, April 7-9, 1995.
05/95	Invited Speaker, “Overview of Reproductive Immunology,” 197th Annual Meeting of the Medical and Chirurgical Faculty of Maryland, College Park, May 6, 1995.
05/95	Consultant to the Ministry of Health, Peoples Republic of China, May 8 - 13, 1995.
05/95	Speaker, “The Role of Outcome Studies in Allergy & Clinical Immunology” 197th Annual Meeting of the Medical and Chirurgical Faculty of Maryland, College Park, May 26, 1995
06/95	Speaker, “A Dialogue With the Austrian Medical Legal Mission,” sponsored by the Illinois Department of Public Health, James R. Thompson Center, Chicago, Illinois, June 1, 1995.
07/95	Session Chairman, “Response to signals: Late pregnancy,” Joint meeting of the American Society for Reproductive Immunology and The International Society for Immunology of Reproduction, Washington, D.C., July 19-23, 1995.
09/95	Invited Speaker, “Cost Containment & Utilization Containment in OB/GYN,” Illinois Association of Health Maintenance Organizations,” Ritz Carlton Hotel, Chicago, Illinois, September 21, 1995.
10/95	Invited Speaker, “Active Labor/C Section,” Grand Rounds-CHR, North Shore University Medical School, Manhasset, Long Island, New York, October 25, 1995.
12/95	Advisory Board, The Turkish Health & Therapy Foundation.
01/96	Invited Speaker, “Corticosteroid and Immunosuppressive Therapy in

	Reproductive Autoimmune Failure Syndrome,” International Conference on Recurrent Abortion, Rome, Italy, January 27, 1996.
01/96	Session Chairman, International Conference on Recurrent Abortion, Rome, Italy, January 27, 1996.
03/96	Invited Speaker, “Developing Winning Strategic Alliances” Physician Practice Management Companies Seminar, Ambassador West Hotel, Chicago, Illinois, March 14, 1996.
03/96	Invited Speaker, “The Physician Perspective: The Pros and Cons of Affiliating with a PPMC” Physician Practice Management Companies Seminar, Ambassador West Hotel, Chicago, Illinois, March 15, 1996.
04/96	Faculty Position, “Tubal Cannulation,” International Society for Gynecologic Endoscopy, Chicago, Illinois, April 17, 1996.
05/96	Invited Speaker, “Immunology of Implantation,” Organon Symposium on Assisted Reproductive Immunology, Chicago, Illinois, May 2, 1996.
05/96	Invited Speaker, “The Changing World of Infertility in an ERA of Managed Care,” Assisted Reproduction: State-of-the-Art Then and Now, Chicago, Illinois, May 2-4, 1996.
09/96	Grand Rounds-CHR, University of South Florida College of Medicine, “Clinical Relevance of Reproductive Immunology,” Tampa, Florida, September 11, 1996.
09/96	Invited Speaker, Smith Barney Second Annual Conference on Emerging Sectors in Healthcare, “Managed Care” Plaza Hotel, New York, NY, September 25, 1996.
09/96	Invited Panel Moderator Sonography- International Congress of Sonography, AAGL 25th Annual Meeting, Chicago, Illinois, September 26, 1996.
09/96	Invited Panel Chairman, “Managed Care,” International Congress of Gynecologic Endoscopy, AAGL 25th Annual Meeting, Chicago, Illinois, September 27, 1996.
09/96	Invited Discussant, Ultrasound and Fetoscopy, AAGL 25th Annual Meeting, Chicago, Illinois, September 28, 1996.
09/96	Co-chair of Technical Exhibits Committee, AAGL 25th Annual Meeting, Chicago, Illinois, September 25-29, 1996.
10/96	Invited Speaker, “Autoantibodies as an Infertility Factor,” 5th World Congress on Endometriosis, Yokohama, Japan, October 21, 1996.
11/96	Seminar Leader, “Infertility for Managed Care,” American Society for Reproductive Medicine 52nd Annual Meeting, Boston, Massachusetts, November 2-6, 1996.
02/97	Invited Speaker, “GynCor, Inc.: The Management Challenge in Reproductive Medicine”, Smith Barney’s Fifth Annual Health Care Services Conference, Plaza Hotel, New York City, February 10-14, 1997.
02/97	Co-Moderator, “Diagnosis and Therapeutic Radiologic Intervention”, American Association of Gynecologic Laparoscopists, “Managed Care and Reimbursement for Fertility Surgery”, First Trimester Pregnancy Loss” Squaw Valley, California, February 20-23, 1997.
05/97	International Advisory Committee. 10th World Congress on In Vitro Fertilization and Assisted Reproduction, Vancouver, B.C., Canada, May

	24-28, 1997.
05/97	Co-Chair, “Ovarian Hyperstimulation Syndrome”, 10th World Congress on In Vitro Fertilization and Assisted Reproduction, Vancouver, B.C., Canada, May 24-28, 1997.
08/97	Grand Rounds-CHR, University of Illinois at Chicago College of Medicine, “Impact of Managed Care on Obstetrics and Gynecology,” Columbia-Michael Reese Hospital and Medical Center, August 13, 1997.
09/97	International Advisory Committee and Faculty: Second International Symposium on Preimplantation Genetics, Chicago, Illinois, September 18-21, 1997.
01/98	Session Co-Chair: “Oocyte Manipulation Techniques,” Treatment of Infertility: The New Frontiers. Boca Raton, Florida, January 1998.
03/98	Scientific Committee: International Association of Private Assisted Reproductive Technology Clinics and Laboratories.
10/98	Organizing Committee: 7th International Congress of Reproductive Immunology, New Delhi, India, October 27-30, 1998.
10/98	Session Co-Chair: “Immunobiology of Pregnancy,” 7th International Congress of Reproductive Immunology, New Delhi, India, October 27-30, 1998.
10/98	Session Co-Chair: “Role of Lymphomyeloid Cells, HLA-G and Antibodies in Pregnancy,” VII International Congress of Reproductive Immunology, New Delhi, India, October 27-30, 1998.
10/99	Organizing Committee: 3rd International Congress on Autoimmunity, Geneva, Switzerland, February 20-24, 2002.
1999	Ground Rounds – CHR, Lenox Hill Hospital, 1999
2000	Reviewer for PIER, the Physicians Information and Education Resource, a project of the American College of Physicians – American Society of Internal Medicine
01/01	Chicago Magazine – Best physician (Reproductive Endocrinology/Infertility – Year 2000)
1999	Scientific Committee: International Association of Private Assisted Reproductive Technology Clinics and Laboratories.
07/01	Session Co-Chair: “The Reproductive Autoimmune Failure Syndrome, (RAFS),” VIII International Congress of Reproductive Immunology, Opatija, Croatia, July 2-6, 2001
09/01	Session Co-Chair: “Ovulation Induction and Insemination,” 2nd World Congress on Controversies in Obstetrics Gynecology & Infertility Paris, France, September 6-9, 2001
09/01	Invited Speaker, “Forget About Ovulation Induction Proceed Directly to IVF!” 2nd World Congress on Controversies in Obstetrics Gynecology & Infertility, Paris, France, September 8, 2001.
11/01	Scientific Committee, First World Congress on Men’s Health and the Board of the International Society on Men’s Health, Vienna, October 25–27, 2002
10/04	Member of the International Board of the New European Surgical Academy, Berlin, Germany, October 29, 2004

11/04	Session Chair and Advisory Board Member, Asian Pacific Congress on Controversies in Obstetrics, Gynecology, and Infertility, Bangkok, Thailand, November 25-28, 2004
05/05	International Advisory Committee Member, 13th World Congress on In Vitro Fertilization, Assisted Reproduction & Genetics, Istanbul, Turkey, May 26-29, 2005
05/06	Invited Keynote Speaker, The International Ovarian Conference, Yokohama, Japan, May 13, 2006
09/06	Invited Speaker, "Selected Research Update at CHR"; Grandrounds, Department of Ob/Gyn, Sheba Medical Center, Tel Haschomer Hospital, Sackler School of Medicine of Tel Aviv University, September 26, 2006.
09/06	Invited Speaker, "Selected Research Update at CHR"; Grandrounds, Department of Ob/Gyn, Ashkelon Medical Center, Ben Gurion University School of Medicine, September 27, 2006.
10/06	Invited Roundtable Speaker, "Pitfalls of hysteroscopy"; 62nd Annual Meeting of the Society for Reproductive Medicine, New Orleans, October 25, 2006
03/07	Invited Speaker, "The Aging Ovary"; Grandrounds, NYU Medical Center of NYU School of Medicine, New York
03/07	Invited Discussant, "Is PGD Indicated for Everybody?"; World Congress of Controversies in Obstetrics and Gynecology, Barcelona, Spain, March 22-25, 2007
03/07	Expert Panel, "Controversies in IVF"; World Congress of Controversies in Obstetrics and Gynecology, Barcelona, Spain, March 22-25, 2007
03/07	Chairman, "Session on Ovarian Stimulation"; World Congress of Controversies in Obstetrics and Gynecology, Barcelona, Spain, March 22-25, 2007
03/07	Chairman, "Session on Gamete and Ovarian Cryopreservation"; World Congress of Controversies in Obstetrics and Gynecology, Barcelona, Spain, March 22-25, 2007
03/07	Invited Speaker, "The Aging Ovary"; Grandrounds, Department of Ob/Gyn, Hadassah Hospital and Hebrew University School of Medicine, Jerusalem, Israel, March 26, 2007.
03/07	Invited Speaker, "The Aging Ovary"; Grandrounds, Department of Ob/Gyn, Assuta Hospital, Tel Aviv, Israel and Sackler School of Medicine, Tel-Aviv University, Israel, March 27, 2007.
04/07	Invited Speaker, "The Aging Ovary"; Grandrounds, Department of Ob/Gyn. Allgemeines Krankenhaus and Vienna University School of Medicine, April 5, 2007.
05/07	Invited Speaker, "Premature Ovarian Aging"; Grandrounds, Department of Ob/Gyn and Reproductive Sciences, Yale University School of Medicine, New Haven, CT, May 3, 2007.
05/07	Invited Speaker, "The Aging Ovary"; 1st International Symposium in Genetics and Assisted Reproduction Techniques, King George Palace Hotel, Athens, Greece, May 5, 2007.
05/07	Invited Speaker, "Gynecoradiology"; Grandrounds, Southern California

	Reproductive Center, Beverly Hills, California, May 25, 2007.
09/07	Invited Speaker, "Twins in ART- A desirable outcome?"; 14th World Congress on In Vitro Fertilization and 3rd World Congress on In Vitro Maturation, Montreal, Canada, September 15-19, 2007.
09/07	Invited Speaker, "IVF in Older Women"; 23rd Annual Congress of the Austrian Society for Reproductive Medicine and Endocrinology, Innsbruck, Austria, September 20-22, 2007.
11/07	Invited Speaker, The International Ovarian Conference, Hakone, Japan, November 2-3, 2007.
11/07	Invited Speaker, International Symposium, Genetics and Immunology of Reproduction, Buenos Aires, Argentina, November 7-8, 2007.
11/07	Member Advisory Committee (SAC), Assisted Reproductive Techniques Outcome Registry of Argentina (ARTORA).
06/08	Chosen to deliver 2009 Annual Patrick Steptoe Memorial Lecture of the British Fertility Society. Keynote lecture title: "Infertility Treatment 2009: as good as it gets."
10/08	Invited Speaker, "The FMR1 Gene as a Fertility Test"; Grandrounds, Yale University School of Medicine, New Haven, Connecticut, October 30, 2008.
11/08	Advisory Board Member, IVF-Worldwide.com.
11/08	Chairman, Session on Assessment of Ovarian Reserve, 11th World Congress on Controversies in Obstetrics and Gynecology, Paris, France, November 27-30, 2008.
11/08	Panelist, Round Table Discussion: Clinical Aspects of ART, 11th World Congress on Controversies in Obstetrics and Gynecology, Paris, France, November 27-30, 2008.
11/08	Panelist, Session on Multiple Pregnancies and Embryo Transfer (ET), 11th World Congress on Controversies in Obstetrics and Gynecology, Paris, France, November 27-30, 2008.
01/09	Gleicher N. Infertility treatment 2009: as good as it gets? Patrick Steptoe Memorial Lecture; Fertility 2009, Bi-Annual Combined Meetings of the British Fertility Society, The Association of Clinical Embryologists and Society for Reproduction and Fertility; Edinburg International Conference Center.
01/09	Gleicher N. Should we ever make a diagnosis of unexplained infertility? Fertility 2009, Bi-Annual Combined Meetings of the British Fertility Society, The Association of Clinical Embryologists and Society for Reproduction and Fertility; Edinburg International Conference Center.
01/09	Gleicher N. The FMR1 gene as a fertility test. Masterclass in Reproductive Medicine, Specialist Meeting in Reproductive Medicine; Apex City Hotel, Edinburg.
01/09	Gleicher N. An update on DHEA supplementation. Masterclass in Reproductive Medicine, Specialist Meeting in Reproductive Medicine; Apex City Hotel, Edinburg.
02/09	Gleicher N. "Can we possibly affect follicular recruitment?" New Frontiers in Fertility. Serono Symposia International Foundation, Lisbon, Portugal,

	February 13-14, 2009.
11/09	Co-Chair, Session Polycystic Ovarian Syndrome (PCOS) in the Asia-Pacific Region. Organized and endorsed by The Asia and Oceania Federation of Obstetrics and Gynecology (AOFOG). The 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility, Beijing, China, November 12-15, 2009.
12/09	Invited Speaker, The International Ovarian Conference 2009, Tokyo, Japan, December 5, 2009.
12/09	Invited Speaker, Meeting of the Japan Infertility Study Group (ISG), Tokyo, Japan, December 6, 2009.
2/10	Chairman, Opening Session, First International Congress on Cardiac Problems in Pregnancy, Valencia, Spain, February 25-28, 2010
2/10	Invited Faculty, First International Congress on Cardiac Problems in Pregnancy, Valencia, Spain, February 25-28, 2010
11/10	Invited speaker: Gleicher N. Poor responders: what's new? Tecnobios Procreazione Symposium 2010. Bologna, Italy, Nov. 24-25, 2010.
9/11	Invited speaker: Gleicher N. Are twins an adverse outcome after infertility treatments? Fifth Isala Fertility Symposium. Zwolle, the Netherlands, Sep. 23, 2011.
11/11	Invited speaker: Gleicher N. Genetic issues related to the oocyte: the FMR1 gene. First meeting of the Ovarian Club, Barcelona, Spain, November 3-6, 2011.
11/11	Invited speaker: Gleicher N. Rejuvenating ovarian function: DHEA improves IVF outcomes and reduces aneuploidy. First meeting of the Ovarian Club, Barcelona, Spain, November 3-6, 2011.
11/11	Chairperson, Session "Ovarian aging: Assessment, Implications and New Technologies." First meeting of the Ovarian Club, Barcelona, Spain, November 3-6, 2011.
11/11	Chairperson, Session "What can we do to improve implantation?" 4th Asia Pacific Congress on Controversies in Obstetrics, Gynecology and Infertility. Bangkok, Thailand, November 24-24, 2011.
03/12	Invited speaker: Gleicher N. "The Most Important, Largely Unknown Gene in Reproductive Medicine and Beyond: the FMR1 Gene." Greater Toronto Area Reproductive Medicine Rounds, Toronto, Canada, March 22, 2012.
09/12	Member, International Scientific Board, New European Surgical Academy Palmaplanas Innovation Days, Palma de Mallorca, Spain, September 13-15, 2012.
05/12	Chairperson, How can we diagnose and improve the endometrium in infertile patients. The World Congress on Building Consensus in Gynecology, Infertility and Perinatology (BCGIP), Barcelona, Spain, May 3 – 6, 2012.
05/12	Invited speaker: Gleicher N. "Chromosomes and autoimmunity: The FMR1 gene." American Autoimmune Related Diseases Association's Scientific Colloquium "Sex, Gender and Autoimmunity through the Lifespan." Chicago, IL, USA, May 17, 2012.
05/12	Member, Advisory Board, Congress on Cardiac Problems in Pregnancy, Berlin, Germany, May 17-20, 2012.

05/12	Invited speaker: Gleicher N. “Improvements in infertility techniques leading to increased incidence of pregnancies in women with congenital or acquired heart disease.” Congress on Cardiac Problems in Pregnancy, Berlin, Germany, May 17-20, 2012.
06/12	Invited speaker: Gleicher N. “Twins are ethically and clinically desirable outcome of infertility treatment.” Fertility Treatment and Multiple Births: Ethical and Policy Issues Workshop, White Plains, New York, June 20-21, 2012.
07/12	Keynote speaker: Gleicher N. “Decreased ovarian reserve and early menopause: Can you do something, doctor?” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Invited speaker: Gleicher N. “IVM does not offer any advantage over current IVF practice, and the associated risks are unknown. The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Invited speaker: Gleicher N. “Developing international standards for cross border services, whose responsibility is it?” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Invited speaker: Gleicher N. “Can we improve pregnancy rates for patients with DOR by better stimulation? Better protocol can improve stimulation and pregnancy rates.” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Invited speaker: Gleicher N. “EBM has limited value in daily clinical care and cannot replace clinical judgement.” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Chairperson, “There are ever-growing indications of the need for an effective, reliable freezing method for oocytes and embryos. The many possible techniques require elucidation of the best approach.” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
07/12	Panelist, “Hot controversies on ART clinical issues.” The 16th World Congress on Controversies in Obstetrics, Gynecology and Infertility, Singapore, July 19-22, 2012.
11/12	Panelist, “What clinicians and biologists should know about each other’s work.” The 17th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Lisbon, Portugal, November 8-11, 2012.
11/12	Chairperson, “The Fertilization Process.” Ovarian Club II, Prague, Czech Republic, November 8-11, 2012.
10/13	Chairperson, “Basic and technical challenges or ART.” The 18th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Vienna, Austria, October 25-27, 2013.
10/13	Chairperson, “Anti-Müllerian hormone.” The 18th World Congress on

	Controversies in Obstetrics, Gynecology & Infertility (COGI), Vienna, Austria, October 25-27, 2013.
10/13	Chairperson, "Improving results in IVF and male factor infertility." The 18th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Vienna, Austria, October 25-27, 2013.
11/13	Member, Organizing Committee, Ovarian Club III – The Inverse Pyramid: Regulating Follicle Number and Oocyte Quality, Paris, France, November 14-17, 2013.
11/13	Chairperson, "Ovarian Stimulation, Follicular Development and Effects on Pregnancies." Ovarian Club III – The Inverse Pyramid: Regulating Follicle Number and Oocyte Quality, Paris, France, November 14-17, 2013.
11/14	Member, Organizing Committee, Ovarian Club IV – Blastocysts Development and the Process of Implantation, Paris, France, November 15 – 16, 2014.
3/14	Moderator, Oncofertility Session, World Symposium on Endometriosis, Atlanta, GA, March 27-29, 2014.
5/14	Induction by the Mumbai Obstetrical & Gynecological Society, Mumbai, India, May 34, 2014.
5/14	Induction by the Pune Obstetrical & Gynecological Society, Pune, India, June 1, 2014.
11/14	Session Chair, "New advances in development and implantation," Ovarian Club Meeting IV, Paris, France, November 7-8, 2015.
11/14	Session Chair, "Adjuvants for poor-responding patients," COGI Vietnam, Ho Chi Min City, Vietnam, November 20-22, 2014.
11/14	Session Chair, "Preimplantation genetic diagnosis and screening – what is it all about?" COGI Vietnam, Ho Chi Min City, Vietnam, November 20-22, 2014.
5/15	Session Chair, "Improved implantation and luteal support," 21st COGI Congress, Guilin, China, May 7-10, 2015.
5/15	Session Chair, "Fertility Preservation in Cancer Patients," 21st COGI Congress, Guilin, China, May 7-10, 2015.
5/15	Session Chair, "Social Freezing: good news or bad news for women?" 21st COGI Congress, Guilin, China, May 7-10, 2015.
5/15	Session Chair, "Preparation for IVF" 21st COGI Congress, Guilin, China, May 7-10, 2015.
5/15	Session Chair, "Does time lapse provide better results?" 21st COGI Congress, Guilin, China, May 7-10, 2015.
5/15	Member, Organizing Committee for the 21st COGI Congress, Frankfurt, Germany, May 14-16, 2015.
5/15	Session Chair, "Are we reaching the time when science meets wishful thinking?," 21st COGI Congress, Frankfurt, Germany, May 14-16, 2015.
7/15	ASRM Star Award, 7/17/2015
9/15	Session Co-Chair, "Is it risk free? Is ISCI safe and effective enough to treat all ART patients?" 22nd COGI Congress, Budapest, Hungary, Sept. 17-19, 2015.

9/15	Session Chair, “Fibroids are encountered in increasing frequency in IVF patients as the mean age of patients rises. Do we have to treat them all?” 22nd COGI Congress, Budapest, Hungary, Sept. 17-19, 2015.
11/15	Member, Organizing Committee for Ovarian Club VI, Barcelona, Spain, November 14-15, 2015.
11/16	Organizing committee member, Ovarian Club VIII, Paris, France, November 4-6, 2016.
11/16	Session chair, “Stimulation of the ovary and the ovulation process,” Ovarian Club VIII, Paris, France, November 4-6, 2016.
11/16	Session Chair, “Fertility preservation for cancer patients,” 24 th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI). Amsterdam, the Netherlands. November 10-13, 2016.
11/16	Session Chair, “PGS: A friend or a foe of the patients?” 24 th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI). Amsterdam, the Netherlands. November 10-13, 2016.
11/16	Conference chair & session chair, Translational Reproductive Biology and Clinical Reproductive Endocrinology. New York, NY, November 17-20, 2016.
4/17	Winner, Presidential Award for Best Poster, Annual 2017 Meeting of the Endocrine Society (ENDO 2017)
11/17	Conference chair & session chair, Translational Reproductive Biology and Clinical Reproductive Endocrinology. New York, NY, November 16-19, 2017.
10/18	Fertility & Sterility Journal Club participant, The Pros and Cons of Preimplantation Genetic Testing for Aneuploidy (PGT-A): Clinical and Laboratory Perspectives.
11/18	Conference chair & session chair, Translational Reproductive Biology and Clinical Reproductive Endocrinology. New York, NY, November 15-18, 2018.
11/19	Conference chair & session chair, Translational Reproductive Biology and Clinical Reproductive Endocrinology. New York, NY, November 21-24, 2019.
10/21	Session chair, “Treating the unfavorable prognosis patient in IVF,” 4 th IVF Worldwide Online Congress. October 1-3, 2021.
10/21	Session chair, “Why most add-ons hurt IVF outcomes,” 4 th IVF Worldwide Online Congress. October 1-3, 2021.

Presentations

1. Gleicher N: Immunology of pregnancy and cancer. The American College of Surgeons, District Meeting; New York, September 19, 1979.

2. Roboz J, Wu K, Chahinian P, Gleicher N, Holland J: Applications of adriamycin analysis in human malignant effusions and amniotic fluid by high performance liquid chromatography. International Liquid Chromatography Symposium; Boston, October 11-12, 1979.
3. Gleicher N: Immunodiagnostic techniques: Reality or promise? Gynecologic Oncology Post-Graduate Course, The Department of Obstetrics and Gynecology, The Page and William Black Postgraduate School of the Mount Sinai School of Medicine (CUNY) in cooperation with the American Cancer Society, New York Division; Mount Sinai Medical Center, New York, March 6, 1980.
4. Gleicher N: Maternal heart disease in pregnancy. In Current Concepts of Fetal Maternal Medicine, The Department of Obstetrics and Gynecology, and the Page and William Black Postgraduate School of Medicine of the Mount Sinai School of Medicine (CUNY), Postgraduate Course; New York, March 27, 1980.
5. Beers PC, David S, Reyniak JV, Gleicher N: Antibodies to autologous gonadotropins. Society for Gynecologic Investigation, Denver, Colorado, March 19-22, 1980.
6. Gleicher N: The immunologic concept of EPH-gestosis. First S.B. Gusberg Seminar on Reproductive Immunology; New York, New York, June 26, 1980.
7. Gleicher N: Common denominators of pregnancy and malignancy. First S.B. Gusberg Seminar on Reproductive Immunology; New York, New York, June 27, 1980.
8. Siegel I, Gleicher N: Red cell immune adherence in pregnancy and malignancy. First S.B. Gusberg Seminar on Reproductive Immunology; New York, New York, June 27, 1980.
9. Gleicher N: Introduction to intercurrent disease in pregnancy. In Mount Sinai Update: Medical and Surgical Complications of Pregnancy, The Department of Obstetrics and Gynecology, and the Page and William Black Postgraduate School of Medicine of the Mount Sinai School of Medicine (CUNY), Postgraduate Course, New York, December 11-12, 1980.
10. Gleicher N: Hypertensive disease of pregnancy. In Mount Sinai Update: Medical and Surgical Complications of Pregnancy, The Department of Obstetrics and Gynecology, and the Page and William Black Postgraduate School of Medicine of the Mount Sinai School of Medicine (CUNY), Post-Graduate Course, New York, December 11-12, 1980.
11. Gleicher N: The maternal immune response in pregnancy. In Applied Clinical Immunology in Obstetrics and Gynecology, The Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, Las Vegas, Nevada, April 28-30, 1980.
12. Gleicher N: Immune complex disease in pregnancy and toxemia. In Applied Clinical Immunology in Obstetrics and Gynecology, The Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, Las Vegas, Nevada, April 28-30, 1981.
13. Gleicher N: Update in reproductive immunology. In Mount Sinai Update in Obstetrics and Gynecology, The Department of Obstetrics and Gynecology and The Page and William Black Post-Graduate School of Medicine of the Mount Sinai School of Medicine of the City University of New York, Post-Graduate Course, New York, June 11, 1981.

14. Smolen J, Chused T, Leiserson W, Weintraub B, Gleicher N, Steinberg A: T cell phenotypes in pregnant patients with autoimmune diseases. Second International S.B. Gusberg Symposium on Reproductive Immunology, New York, June 18, 1981.
15. Gleicher N, Adelsberg B, Siegel I, Siegal F, Liu TL: Immune complex disease in pregnancy. Second International S.B. Gusberg Symposium on Reproductive Immunology, New York, June 18, 1981.
16. Siegel I, Liu TL, Gleicher N: Red cell immune adherence (RCIA) in the developing rabbit. Second International S.B. Gusberg Symposium on Reproductive Immunology, New York, June 19, 1981.
17. Adelsberg B, Liu TL, Phillips R, Cederquist L, Siegel I, Gleicher N: Immune complexes in all stages of pregnancy. Second International S.B. Gusberg Symposium on Reproductive Immunology, New York, June 19, 1981.
18. Gleicher N: Immunology of reproduction. Staff Meetings, Gottlieb Hospital, Chicago, Illinois, February 15, 1982.
