Dear Patients,

This letter is to inform you that after 13 years at Michigan Avenue Primary Care, I will be leaving the practice. This was probably one of the hardest decisions I've made but I need to be closer to my family. One year ago, my family and I, relocated to the southwest suburbs, the long commute has taken a toll on me, affecting my work-life balance. As a result, I've decided to join a practice closer to my home.

I am confident that you will be in caring hands with the other providers at Michigan Avenue Primary care. I am recommending that you consider Dr. Carrie Salvia or Dr. Lauren Miller, as your new PCP. I am certain that your healthcare needs will be met with understanding, compassion & competence.

Thank you for letting me be a part of your healthcare. I have sincerely enjoyed getting to know you & developing a bond.

If you have any questions or concerns, please don't hesitate to contact the office at 312-994-3000.

Take care!

Best wishes,

Niby Mathew MD
