

PATIENT PROTECTIVE ASSOCIATION  
Arbitration Agreement

ARTICLE 1

*It is understood that any dispute as to medical malpractice, that is, as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.*

ARTICLE 2

a. Parties To The Agreement. The term "Patient" as used in this Agreement includes the undersigned individual, his or her spouse, children (whether born or unborn), and heirs, assigns, or personal representatives. The individual signing this Agreement signs it on behalf of the foregoing persons, and intends to bind each of them to arbitration to the full extent permitted by law.

The term "Doctor" as used in this Agreement includes the undersigned doctor and his or her professional corporation or partnership, and any employees, agents, successors-in-interest, heirs and assigns of the foregoing individuals or entities. The doctor signing this Agreement signs it on behalf of all the foregoing individuals and entities, and intends to bind each of them to arbitration to the full extent permitted by law.

b. Treatment Covered. Patient understands and agrees that any dispute of the sort described in Article 1 between Doctor and Patient will be subject to compulsory, binding arbitration.

c. Other Doctors (If Applicable). Patient understands that he or she may at times receive treatment from one or more doctors who practice jointly with the undersigned doctor. It is understood and agreed that any dispute of the sort described in Article 1 between Patient and such doctors practicing with the undersigned doctor will be subject to compulsory, binding arbitration.

d. Coverage of Prenatal Claims (If Applicable). Patient understands and agrees that, if Doctor treats her during pregnancy, any dispute of the sort described in Article 1 as to medical treatment rendered to or affecting the unborn child will be subject to compulsory, binding arbitration.

ARTICLE 3

a. Informal Resolution of Disputes. In the event Patient feels that a problem has arisen in connection with the medical care rendered by Doctor to Patient, Patient will promptly notify Doctor so that Doctor may have the opportunity to resolve the matter. Notice may be given orally or in writing, and shall stop the running of the statute of limitations for 90 days.

b. Method of Initiating Arbitration. If the dispute is not resolved by mutual agreement within 90 days, Patient may initiate arbitration by notifying Doctor to that effect and by designating an arbitrator to act on Patient's behalf. Within 20 days of receipt of such notice, Doctor will designate an arbitrator to act on Doctor's behalf. In the event that more than two parties participate, parties aligned with Patient shall select one arbitrator, and parties aligned with Doctor shall select a second arbitrator. The two "party" arbitrators shall select a neutral arbitrator. The controversy shall then be submitted to the three arbitrators for a final and binding decision.

c. Applicable Law. The arbitration shall be conducted pursuant to the California Arbitration Act (C. C. P. 1280-1296). The arbitrators shall, in addition, have authority to order such other discovery as they deem appropriate for a full and fair hearing of the case. A determination on the merits shall be rendered in accordance with the law of the State of California including the provisions of the Medical Injury Compensation Reform Act of 1975 which shall apply to the same extent as if the dispute were pending before a superior court of this State.

d. Interpretation of Agreement. Any controversy concerning the interpretation or application of this Agreement itself shall also be submitted to arbitration in the manner provided above.

ARTICLE 4

Revocation. If you sign this Agreement and then change your mind, the law permits you to revoke the Agreement, providing you give your Doctor written notice within 30 days from signing that you want to withdraw from the Agreement. However, Doctor and Patient agree that any claim arising from medical services rendered prior to revocation shall be subject to arbitration.

**NOTICE: BY SIGNING THIS CONTRACT, YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.**
