Who Are We:

At Prestige Primary Care, we make house call visits to people who have a hard time getting to their doctors appointments in the DFW area. We specialize in providing comprehensive acute and chronic disease management using the latest technology, including referrals and coordination of care in the comforts of the patient's home.

The best house call medical care is delivered by a team. Our home-based care team includes knowledgeable physicians, nurse practitioners, physician assistants, and medical assistants. We provide advocacy, access, continuity and compassion high-quality care to enhance the quality of life to our patients.

Serving the entire DFW Metroplex and
surrounding areas.

For many people who have difficulty getting to their medical appointments, Prestige Primary Care's house call services is the right choice.

Prestige Primary Care

Providing Comprehensive
Medical Care through Our
House Call Services

(972) 385-0000

What We Do:

We deliver customized medical care to those who have trouble leaving their home. The patient will be cared for by one of our experienced staff who will visit you in the comforts of your home to hear about your medical history, and any concerns you may have. A provider will visit you monthly or more often if you need medical attention. We can also arrange for another type of support, such as nursing, pharmacy, or other basic needs. We can help coordinate the care between your specialists, such as cardiologist or pulmonologist.

Insurances We Accept:

Prestige Primary Care's House Call Providers accepts a wide range of insurance plans including:

AETNA, AMERIGROUP MEDICAID, BLUE CROSS BLUE SHIELD, CIGNA, HUMANA, MEDICARE, MEDICARE ADVANTAGE PLANS, MEDICARE/MEDICAID, MOLINA MEDICAID, PHCS/MULTIPLAN, SUPERIOR MEDICAID, UNITED HEALTHCARE, WELLCARE AND MANY MORE.

Our Services:

Prestige Primary Care's House Call Services include but are not limited to:

- Acute and Chronic Disease Management
- Annual Physical with Preventative Medical
- Ordering Diagnostic Test and Laboratory Services
- Medication Management and Refills
- Referrals to All Home Care Services and Medical Equipment including Physical Therapy and Rehabilitation Services
- Physician's Review for Authorization Including Home Health Authorization and Care Plan Oversight
