Waiver and Release

No Professional Negligence Claims: I am purchasing ultrasound services and products for keepsake, non-medical purposes. I agree that I have no right to recourse against OB/GYN LTD in any medical malpractice, professional negligence or any medical related claim arising out of or in any way related to my pregnancy or the birth of my child from this elective, non-medical ultrasound. This includes any claim for error in gender determination.

Assumption of Risks: I acknowledge that there is inherent risk in any activity involving a fetus and there are potential risks in this type of activity. I understand OB/GYN LTD follows FDA recommendations for length of scan and frequency of ultrasound sound waves, and that no detrimental effects have been found in 40 years of studies. I hereby voluntarily assume all risk of harm or injury to me or to my baby resulting from the services provided by OB/GYN LTD.

Waiver and Release of Claims: I hereby waive, release, acquit and forever discharge OB/GYN LTD from any and all claims, expenses, demands, costs, causes of action, and other actions and liabilities, of any nature whatsoever, whether know or unknown, whether in law or equity, that I or my baby may have arising out of or in any way related to my visit to OB/GYN LTD for this elective non-medical ultrasound. I agree that I shall have no right to whatsoever to file any lawsuit or institute any other action or legal proceedings of any type arising out of or in any way related to my visit to OB/GYN LTD.

Photo Release: I give OB/GYN LTD permission to post or use any photos or recorded data for advertisement purposes.

- I understand picture quality is dependent on many factors. I understand that OB/GYN LTD is not always able to obtain pictures of every baby. I understand no refunds are available if unable to obtain pictures or gender.
- I understand that this is a social, non-medical ultrasound that is not part of my prenatal care and is not covered by my insurance company. This is a completely elective procedure.
