

# NISHANO THOMAS, DMD

## General and Cosmetic Dentistry

Patients of Nishano Thomas, DMD, can hardly wait for their next appointment. Dr. Thomas and her staff have broken the boundaries of a normal dental facility and have instead turned the office into a haven for pampered patients.

Combining excellent oral health care with a mentally and physically relaxing environment, Dr. Thomas provides holistic well-being for her patients by housing a comprehensive, professionally staffed spa within her practice. With the latest in advanced, high tech dental equipment, patients of Dr. Thomas can expect to receive top-notch dental care by her knowledgeable, well-trained and compassionate staff. And, in addition, each patient receives a complimentary massage by a licensed massage therapist annually.

Dr. Thomas provides advanced treatment for her patients in both general and cosmetic dentistry, including Invisalign and in-office whitening. Veneers, crowns, implants, bridges and bonding are all in a day's work. Her practice also includes specialists in periodontics and prosthodontics, as well as care options for those with dental phobias through sedation dentistry. Finally, patients are offered several affordable, in-network pricing options.

"It is our goal to build life-long relationships with all of our patients based on trust and understanding," says Dr. Thomas. "In that respect, we treat our patients like family and we are committed to the pursuit of excellence on their behalf." Come enjoy a dentistry experience unsurpassed in the Greater Houston area and see why patients travel from all around the world to be treated by Dr. Thomas.
