

Rescheduling / Change In Schedule Policy

Late Cancellation or Missed Appointments

Our practice is dedicated to quality care and exceptional service.

Our Doctor or Hygienist and team spend extensive amounts of time preparing for your visit. Broken and missed appointments create scheduling problems for our team as well as other patients. If you find that you must change your appointment, we require a minimum of 48 hours notice so that we may make every effort to accommodate other patients.

We of course understand there are emergencies or illness and know that this cannot be planned upon – this will always be taken in consideration.

If proper notice is not received, a fee of **\$50.00 will be charged for every hour** of allotted time cancelled to your credit card on file.

I agree to a credit card on file that may be charged for violation of these policies or upon my approval for services rendered.

I have read and acknowledge to the policy of ABC Dental above:
