EMG/EEG Instructions

No lotions, oils, creams, including Vaseline etc. on hands, arms, feet or legs.

Clean and dry hair with no product.

You **MUST** have clean dry skin.

Wear loose fitted clothing. The area that we need to access will be your shoulders down to your fingers and your knees down to your toes.

If there is product on your skin at the time of your visit, then your appointment will be rescheduled to our next available.

MRI Instructions

No preparation is required. Recommended to wear loose fitted clothing with no metal, buttons, or closures for your comfort. Patients who may be pregnant or who have pacemakers, defibrillators, stents, Medtronic devices, Neuro-Stimulators, drug infusion pumps, aneurysm coils/clips or any other surgically implanted devices, please contact our facility at 903-450-8122, 24 hours prior to your appointment.

New Patient Instructions

Please bring the following documents with you:

Driver's License or State issued ID

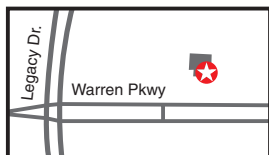

Insurance Cards

Copy of Medication List

New Patient Paperwork, available online at Neurocareoftx.com.

Print it out, fill it out and bring it in.

If you are not able to fill out the paperwork before your appointment we have copies in office, however you will need to **ARRIVE 15 MINUTES BEFORE** your scheduled appointment to complete them.
