The Office Infusion Center

AIR Care offers state-of-the-art therapies through our Office Infusion Center (OIC) conveniently located in the physician's office. Patients come to the OIC as an alternative to receiving intravenous (IV) therapies in a home or hospital setting. We are also authorized to provide home subcutaneous (sub-Q) therapies.

Therapies Offered:

For Moderate to Severe Asthma

- Xolair (anti-IgE monoclonal)
- Cinqair (anti-IL5 monoclonal)
- Nucala (anti-IL5 monoclonal)
- Fasenra (anti-IL5 monoclonal)

For Chronic Urticaria and Eczema

- Xolair
- Dupilumab

For Primary Immune Deficiency

- Immunoglobulin IV and SubQ
- Gammagard, Gammunex, Octagam, HyQvia, Hizentra, and Cuvitru

Other Biologics

- Remicade
- Tysabri
- Actemra
- Rituxan
- Ocrevus

Other Therapies

- RUSH Immunotherapy
- IV Antibiotics and Antifungals
- Vitamin infusions and IV Steroids
- Radicava

Patient Referral Process

To refer a patient or obtain further information about our services, please call our Plano office at (972) 473-7544.

A pre-certification and verification process is completed before therapy, to ensure that services are covered. Otherwise, alternate care options will be coordinated. Co-pay assistance programs are available for several biologic therapies and we will assist each patient's access to these programs.

When you refer a patient to our OIC they will see one of our physicians prior to starting therapy to coordinate care; however, you will maintain complete control over the course of treatments and ongoing care of your patient. Our focus is to ensure that your patients receive the treatment that you ordered in the safest environment possible.

The Setting

The Infusion suite contains open and private modules that are equipped with a recliner lounge chair and other patient comfort items. The suite provides privacy for the patient while allowing the nurse to conduct close monitoring and observation. Physicians are onsite to provide additional monitoring and treatment if needed.

OIC Office Hours

Office hours are offered by appointment only. We are open during standard business office hours. Monday through Friday 8am to 5pm

After Hours

For routine non-emergency calls, please call our Plano office at (972) 473-7544 or our Dallas office at (214) 373-1773. Please give the nature of your problem with a phone number where we can return your call.

We are committed to providing state-of-the-art care and working together with patients to achieve the best health possible.
