

Wilmington Community Clinic

April 2018

Dear Community Partner,

Planning is underway for Wilmington Community Clinic's Back to School Health Fair for pediatric and school age patients and their families. This year marks the **6th Annual Health Fair and will be held on Saturday, August 4, 2018 from 10am – 1pm.**

This year the Clinic's Health Fair will include school physicals and immunizations, dental screenings for kids and adults, limited adult health screenings, community resources for all age groups, interactive activities, music, giveaways and much more.

We are pleased to invite your organization to attend the Health Fair as a community partner and resource. Enclosed please our Information Sheet and Vendor Registration Form. We expect there to be over 200 children and families in attendance, but will gratefully accept any quantity of product you are willing to provide. Event participants are also encouraged to donate item(s) towards giveaways/prizes for attendees. We appreciate anything you can do to make our Health Fair a great experience for those we serve.

Founded in 1977, The Wilmington Community Clinic is a system of non-profit, community health clinics that provide quality, comprehensive social services, dental and medical care to underserved children, adolescents and adults. Last year, the Clinic provided care to almost 29,000 patient visits to children, adolescents and adults in Wilmington and the surrounding communities. **With an increasing number of people turning to the Clinic for health care, your support is needed now more than ever.**

Thank you for your time and consideration. Should you have questions or require any further information regarding our Health Fair, please feel free to contact Haidee Martinez, Health Educator, at 310-549-5760 ext. 189 or via email at hmartinez@wilmingtoncc.org.

Best regards,

Dolores Bonilla-Clay
Chief Executive Officer
