SONOGRAM INSTRUCTIONS

PROCEDURE PREPARATION INSTRUCTIONS:

1. Do not eat or drink anything after 10pm the night before your procedure.
2. If you are having a pelvic ultrasound, please drink 32 ounces of water one hour prior to your appointment time. Your bladder must be full at the time of the examination.

Please call 212-777-6017 with any questions or concerns.

Cancellations must be made at least 48 hours in advance. Last minute cancellations may be subject to a cancellation fee.
