Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. Some companies pay fixed allowances for all procedures and others pay a percentage of the charges. It is your responsibility to pay any deductible amount, co-insurance, or any other balance not paid for by your insurance.

IN ORDER TO CONTROL YOUR COST OF BILLINGS, WE REQUEST THAT OUR CHARGES FOR OFFICE VISITS BE PAID AT THE CONCLUSION OF EACH VISIT.

If this account is assigned to an attorney for collections and/or suit, the practice shall be entitled to reasonable attorney fees and cost of collections.

I authorize the release of any information necessary to determine liability for payment and to obtain reimbursement on any claim.

I request that payment of authorized benefits be made on my behalf. I assign the benefits payable to which I am entitled including Medicare, private insurance and other health plans to the practice named on this form.

The assignment will remain in effect until revoked by me in writing. A photocopy of the assignment is to be considered as valid as the original. I understand that I am financially responsible for all charges whether or not paid by said insurance.

THANK YOU FOR YOUR COOPERATION

I understand that at any time I need assistance the dietitian, psychologist, primary care physician, and surgeon are more than willing to help me. All I need to do is contact their office to schedule an appointment.

I understand that it is a requirement to have regular follow-up appointments with the surgeon as he/she schedules for me.

Knowing and understanding all of the above, I still wish to proceed with surgery. I desire to have better health and increase my life span.
