Phone Consultation & Documentation Requests Policy

As a reminder, phone calls to your provider should be for emergency purposes only. All other matters are best discussed in session. In order to provide you with the best care, with your permission, our clinicians may communicate with other providers or collect outside information. At times, this information may be beneficial and inform your treatment.

Scheduling an appointment with one of our psychotherapists to complete any ancillary paperwork or discuss collateral information is highly recommended. For our Psychiatrists, appointments for these purposes are absolutely required. Please note, phone contact that our psychotherapists have with outside providers and paperwork completion time are not payable by your insurance company. These services may be billed directly to you from the fee schedule below.

Requests for documentation are granted on a case by case basis at the sole discretion of your provider. Typically, several sessions and consistent engagement in treatment is required for a provider to feel comfortable providing documentation of any kind.

Beneficial information sources by phone include, but are not limited to:

Outside providers such as past individual therapists or Psychiatrists, group therapy counselors, social workers, and psychological testing specialists. For minors, teachers, school psychologists or social workers, and Individualized Education Plan or 504 involved specialists can also be helpful.

Documentation requests can include, but are not limited to:

Clinical summaries of diagnostic impressions or treatment plans, FMLA (Family Medical Leave Act) paperwork completion, background check documents for employment, bariatric surgery candidate requirements, letters to verify work absences for mental health reasons, documentation to show attendance of mental health appointments (sometimes required for court ordered treatment and minors involved with Department of Child and Family Services), disability paperwork, and summaries of clinical recommendations or impressions as requested by outside medical professionals.

Rates for phone consultation: \$75.00

Rates for documentation completion: \$60.00
