

Physician Ownership Statement

This document is to notify the patient that the physicians of Crescent City Orthopedics are limited partners in other facilities. An interest in these facilities enables our physicians to have a voice in the administration and medical policies of the health care institution. This involvement helps to ensure the finest quality care for their patients. If you have a preference concerning where your procedure is performed, please let your physician know. Crescent City Orthopedics places special emphasis on fully informing patients, and it is our goal to treat you professionally and courteously at all times.
