

Physician Business Interest Disclosure

As your physicians, we believe that you are entitled to make informed decisions regarding your medical care. To assist you in making an informed decision, we provide this notification that either one or both of us hold an ownership interest in the following entities:

- Sightline San Fernando Valley Cancer Center (This is where Golden State Radiation Therapy is located).
- West Hills Surgical Center
- Specialty Surgical Center, Thousand Oaks
- Rhulani Recovery Suites
- Prime MSO Surgical Center - Encino

Radiation oncology services are also available at Valley Radiation Oncology Center (Tarzana), Vantage Oncology Radiation Centers, located at several Southern California locations.

Outpatient surgical procedures may be performed at West Hills Hospital and Medical Center, as well as a few other facilities that we have privileges to operate at.

We ask that you please sign below indicating your receipt of this notification. Please feel free to make any inquiries to us or our office manager.

By my signature below, I hereby acknowledge that I have received notification of Dr. Candela's and Dr. Schreier's ownership interests in the above entities.

Thank you,

Frank C. Candela, MD, FACS

David Z. Schreier, MD, FACS
