Dear Patient,

Thank you for choosing Swor Women's Care for your Obstetrical and Gynecological needs.

This letter confirms your upcoming appointment at Swor Women's Care.

All new patients to Swor Women's Care must arrive 15 minutes before your scheduled appointment time for registration.

Please bring any medical records that pertain to Gynecology, especially surgical reports, testing or imaging with you to your appointment. If you cannot obtain copies of your records, it may delay your treatment.

Please bring a photo identification and insurance card to each appointment.

New Patients: Please complete all paperwork mailed to you. Paperwork may be returned to us by mail, fax and/or brought to the office.

Please call us if you have any questions or need to cancel or reschedule your appointment.

It is very important that you call our office at least 24-48 hours prior to your appointment to cancel your appointment. If our office is not notified in advance, there will be a "No Show" fee of \$25 billed to your patient account.

Sincerely,

Swor Women's Care

Financial and Office Policies

We would like to thank you for choosing Swor Women's Care as your women's health care provider. This document explains our current office and financial policies. It is important that you read and agree to these policies.

Financial Responsibility: Any patient over the age of 18, or an emancipated minor, will be held financially responsible for all charges incurred. For minors, the parent who accompanies the minor for their first visit will be financially responsible for all charges incurred.

Payment Form: Swor Women's Care accepts Cash, Personal Checks, MasterCard, Visa, and Discover Cards as payment for services rendered.

Insured Patients: Please bring your insurance card with you to your appointment. If your insurance plan requires an office visit co-pay, this will be collected at the time of service. The co-pay cannot be waived by our office; it is a requirement placed on us by your insurance carrier. You are financially responsible for any co-insurance, deductible or non-covered service. If you are a member of a health plan that Swor Women's Care participates with, we will submit a claim to your primary insurance company on your behalf. If you have an insurance plan that we are not providers of, payment is due at the time of service and we will assist you in submitting your claim for reimbursement to your insurance company.

Authorizations: If your insurance requires authorization for office visits, then it is your responsibility to obtain this from your primary care physician.

Balance Due: Once we have received payment along with an Explanation of Benefits (EOB) from your insurance plan, you will receive a statement from our office indicating what your insurance has paid. Any remaining balance will then be due and payable. Patients with large deductibles will be asked to pre-pay a portion of their known medical expenses (for example: GYN surgery patients)

Non Insured Patients: Payment in full will be due at the time of service. If you are unable to pay your balance in full, you will need to make arrangements with our Office Manager prior to your visit.

Medicare Patients: You are personally responsible for your deductible, co-insurance and any service that Medicare deems as "Medically Unnecessary". Medicare patients may also be asked to sign an Advanced Beneficiary Notice (ABN) form as required by Medicare for certain services.

In Office Labs/Testing: Please verify your benefits with your insurance company prior to having any lab or diagnostic testing performed. If your insurance company does not cover screening lab tests, we do offer certain tests at a reduced cost to you if performed in our office on a cash-pay basis.

No Show: Please be aware that our office charges \$25 if you no show for your appointment or if you do not give a 24-hour notice of cancellation. Also, there is a \$250 charge if you cancel or no show for a surgery with our office.

Returned Checks: A \$25 fee will be assessed for any check returned for insufficient funds. After that, only cash or credit cards will be accepted for payment.

Collection Accounts: Swor Women's Care reserves the right to turn an account over to collections if it is deemed that the account is in default of payment or compliance with this policy and you will be discharged from the practice. You can avoid collections and discharge from the practice by arranging a payment plan with the office.

Financial Hardship: We understand that sometimes it is a hardship to pay your medical bills timely. Please discuss with our Office Manager so we can work out a payment plan. Ignoring medical bills is not advisable. Let us know your situation so we can work with you.

I hereby authorize Swor Women's Care as a holder of medical information, to release to my insurance carrier or its intermediaries any information needed for this or future related claim(s). I further request payment be made to Swor Women's Care and authorize Swor Women's Care to submit claims on my behalf for any bills or services furnished to me during the next 12 month period(year). I hereby acknowledge and understand that I am financially responsible for any portion of my bill not covered by my insurance carrier. If this account is placed in the hands of a collector or an attorney for collection, reasonable cost of collection including attorney fees will be paid by the undersigned.

I have read and understand the handout, Financial and Office Policies. By signing below, I am stating that I understand and agree to the above policies. I also understand that at any time our financial policy may be updated.
