Please complete the enclosed forms and bring them with you the day of your appointment, as well as a list of all your medications. We also require copies of your insurance cards and some form of photo identification. Please present the enclosed forms and the necessary cards when you sign in for your appointment.

Thank you!

PATIENT CONTACT INFORMATION/RESTRICTION

In general, the HIPAA privacy rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communication or that a communication of PHI be made by alternative means, such as sending correspondence to the individual’s office instead of their home. I wish to be contacted in the following manner (check all that apply):

___ Home Telephone
   ___ O.K. to leave message with detailed information.
   ___ Leave message with call back number only.

___ Cell Telephone
   ___ O.K. to leave message with detailed information.
   ___ Leave message with call back number only.

___ Work Telephone
   ___ O.K. to leave message with detailed information.
   ___ Leave message with call back number only.

___ Written communication
   ___ O.K. to mail to my home address.
   ___ O.K. to fax to ________________________

___ Other
   ________________________

APPOINTMENT CONFIRMATIONS WILL BE MADE TO THE HOME NUMBER

I hereby consent to the release of Protected Health Information to the following individuals. I understand this authorization will be effective until which time it is revoked.

SUMMARY NOTICE OF PRIVACY PRACTICES

We are required by federal law to provide you with a Notice of Privacy Practices that describes how medical information that we maintain about you may be used or disclosed. The Notice describes how, when, and why we use and disclose medical information about you, and provides a description of your rights and our obligations under federal and state privacy laws.

Uses and Disclosures
We are permitted to use and disclose your health information under a variety of circumstances. Sometimes we must obtain your authorization before we use or disclose that information, but in other circumstances we may use your information without your authorization and without informing you of the use or disclosure. Some of the reasons that we may use or disclose your information include:

- To provide information about your health condition to other health care providers who may treat you;
- To provide information about the treatment that we provided in order to obtain payment from your health plan;
- To report a communicable disease, or other legal reporting requirements; or
- To comply with a court order requiring the disclosure of your medical record.

These examples are merely illustrative. For a full description of the uses and disclosures that we are permitted to make, please consult the Notice of Privacy Practices.

Your Rights
While the records that we maintain about you belong to us, under the federal privacy law you have a variety of rights with respect to the information maintained in those records. For instance, you have the right to access and receive a copy of the medical information we maintain about you and to request that we amend any of the information that you believe, is incomplete or incorrect. Also, you may request that we provide you with a list of disclosures that we have made of your medical information. All of these rights are subject to some exceptions that are described in full in the Notice.

Acknowledgement
You will be asked to sign an acknowledgement of your receipt of this Notice of Privacy Practices. However, your receipt of care and treatment is not conditioned upon your signing the acknowledgement form.

Our Obligations
We are required to provide you with our Notice of Privacy Practices and to abide by its terms. We may change the Notice from time to time. All amendments apply retroactively. Our full Notice of Privacy Practices is attached. Please read it carefully. If you would like a copy please let us know. If you have any questions or require additional information, please contact the office manager at 310-829-5968 x246.

CBSQ Questionnaire form AA

NAME __________________________ DATE __________________________

READ INSTRUCTIONS FIRST. This form is important for measuring the outcome of treatment.
Based on your experiences in the PAST WEEK, answer the following questions regarding how often
symptoms would be likely to increase if you were to engage in certain activities.
Circle the number corresponding to how likely it would be for symptoms to increase during an activity so
much that you would have to stop or modify the activity. DO NOT LEAVE ANY BLANKS.
If a CONSTANT ongoing symptom would not be more noticeable during the activity, mark the answer “0.”
If a symptom would increase during half of the instances of the activity, mark the answer “5.”
Only mark “10” if your symptoms would increase during EVERY instance of the activity.

1. Pain is caused by experiences that ordinarily are not painful. Examples include a light
stimulation of the skin, joints or muscles, such as a light draft, the rub and tug of clothing, or
the touch of something moderately hot or cold.

   0 1 2 3 4 5 6 7 8 9 10
   It would NEVER happen this past week   This past week, it would happen ALWAYS

2. Disabling pain that can last into the next day is caused by activities that ordinarily produce
only mild discomfort. Examples include a light exercise session, a physical therapy treatment
or a physical examination.

   0 1 2 3 4 5 6 7 8 9 10
   It would NEVER happen this past week   This past week, it would happen ALWAYS

3. Hand or arm aches or fatigues with arm exercise, particularly with overhead or outstretched
positioning.

   0 1 2 3 4 5 6 7 8 9 10
   It would NEVER happen this past week   This past week, it would happen ALWAYS

4. Hand or arm swells after arm exercise, including after any activities that require repetitive
arm movements.

   0 1 2 3 4 5 6 7 8 9 10
   It would NEVER happen this past week   This past week, it would happen ALWAYS

5. Sensations of tingling or numbness in the hand or arm increase when reaching overhead or
outwards. Examples include brushing hair or blow-drying hair, reaching for an overhead
shelf, or working with arms overhead as in painting a ceiling or screwing in light bulbs.

   0 1 2 3 4 5 6 7 8 9 10
   It would NEVER happen this past week   This past week, it would happen ALWAYS
6. Sensations of tingling or numbness increase in the hand or arm when awakening from sleep.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

7. Sensations of tingling or numbness increase in the hand or arm with repetitive finger movements as in writing, typing, sewing, playing musical instruments or assembling objects.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

8. Sensations of tingling or numbness increase with prolonged or forceful grasping as in holding a steering wheel to drive, using tools, handling office instruments or controlling industrial equipment.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

9. Sensations of tingling or numbness increase while bending elbow or leaning on elbow, for example, while holding telephone receiver or leaning on a desk.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

10. Hand is clumsy or weak while trying to hold onto objects or while attempting to open jars, use keys to open a lock, pull zippers or button clothing.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

11. Pain going down the arm increases with neck movement, as in turning, flexing or extending the neck.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

12. Pain in the arm or shoulder increases instantly with brief shoulder movement as in throwing something or in reaching behind the body.

0 1 2 3 4 5 6 7 8 9 10
It would NEVER happen this past week
This past week, it would happen ALWAYS

13. Symptoms have occurred with the above activities in the past.

yes  no (circle your answer) If the answer is “yes”, please list by number and explain on back.

14. Hand becomes blue, swollen, sweaty or hot. Yes  No (circle answer) If “yes” explain on back.
CERVICAL BRACHIAL SYMPTOM QUESTIONNAIRE

Mark where you feel pain with horizontal or vertical lines. Mark sensory changes with diagonal lines. If different pains or sensory changes are caused by specific items in the questionnaire, then indicate by the question number.
Use next page if necessary.

NAME_____________________________________

Mark pain

Mark numbness or sensory disturbance including tingling
BRIEF PAIN INVENTORY

Instructions: Complete this form each time that you have an appointment. If there is no pain, then circle “no” and you are done. Note that the definition of pain includes all types of uncomfortable sensations including tingling, pins and needles, aching, shooting, burning, pressure, etc. In Item #9, “General Activity” refers to activities of daily living including grooming, dressing, eating, bathing, getting in and out of chairs, etc. “Work Activity” refers to either employment or household chores including driving, shopping, cooking, cleaning, etc.

1) Throughout our lives, most of us have had pain from time to time (such as minor headaches, sprains, and toothaches). Have you had pain other than these everyday kinds of pain today?
   1. yes
   2. no

2) On the diagram, shade in the areas where you feel pain. Put an X on the area that hurts the most.
3) Please rate your pain by circling the one number that best describes your pain at its WORST in the past 24 hours.

0   1   2   3   4   5   6   7   8   9   10
   No pain
   Pain as bad as you can imagine

4) Please rate your pain by circling the one number that best describes your pain at its LEAST in the past 24 hours.

0   1   2   3   4   5   6   7   8   9   10
   No pain
   Pain as bad as you can imagine

5) Please rate your pain by circling the one number that best describes your pain on the AVERAGE:

0   1   2   3   4   5   6   7   8   9   10
   No pain
   Pain as bad as you can imagine

6) Please rate your pain by circling the one number that tells how much pain you have RIGHT NOW:

0   1   2   3   4   5   6   7   8   9   10
   No pain
   Pain as bad as you can imagine

7) What treatments or medications are you receiving for your pain? __________________________________________

8) In the past 24 hours, how much RELIEF have pain treatments or medications provided? Please circle the one percentage that most shows how much:

0%   10%   20%   30%   40%   50%   60%   70%   80%   90%   100%

No relief
Complete relief
9) **CIRCLE** the one number that describes how, during the past 24 hours, **PAIN HAS INTERFERED** with

SPICE- SEH ("Spicy") Questionnaire

This questionnaire is designed to evaluate your levels of enjoyment and motivation over the past week. Circle the correct response. Do not leave blanks. If there was no opportunity to experience any of the examples, then make your best guess. Choose the response that most closely describes you.

For each question, circle one number.

1) Within the past week, you were able to enjoy social activities. Examples of activities which involve other people may include talking on the phone and visiting with family or friends.

<table>
<thead>
<tr>
