

OUR DOCTORS

DR. SHRUSAN GRAY

Dr. Shrusan Gray is a Board-Certified Obstetrician and Gynecologist, licensed by the State of Florida and New York and is an award-winning physician with an outstanding Ivy League education with extensive experience in her field. She is the co-founder and owner of Women to Women OB/GYN.

A graduate of the University of Pennsylvania and Case Western Reserve University School of Medicine, Dr. Gray has been practicing medicine for over 15 years. She is affiliated with several South Florida hospitals, including Memorial Hospital West and Memorial Regional Hospital.

Dr Gray is highly skilled in all areas of obstetrics and gynecology and is adept at handling routine care and complicated issues requiring surgery and long-term care. In addition, she serves international patients from throughout the Caribbean, South America and Europe.

DR. SVETLANA MASLYAK

Dr. Svetlana Maslyak is a board-certified OB/GYN who has been licensed by the states of Florida and New Jersey. An award-winning physician with extensive experience in her field, She is also a co-founder and owner of Women to Women OB/GYN.

Dr. Maslyak graduated from the Ivano-Frankivsk National Medical University in Ukraine in 1987 and then moved to the United States, where she completed her residency at Rutgers New Jersey Medical School.

Dr. Maslyak lives in close proximity to her office and affiliate hospitals, allowing her to be easily reached in emergency situations. She speaks fluent English, Russian, and Spanish, and especially welcomes members of the Ukrainian and Russian community to see her for general gynecological and obstetric care.

Quality OBSTETRICS & GYNECOLOGY

For Women, By Women

WOMEN TO WOMEN OB GYN Care

The entirely female staff at Women to Women OB GYN Care in Hollywood, Florida, knows that nobody understands all the gynecological needs of a woman's body better than another woman. That's why Dr. Svetlana Maslyak and Dr. Shrusan Gray strive to provide women with the highest quality modern OB/GYN care, whether they're looking for advice on their own feminine health or a more in-depth service, such as an in-office surgical procedure.

GYNECOLOGY

- ▶ **Abnormal Paps & Colposcopy**
- ▶ **Birth Control**

Quality
YOU CAN TRUST

As women and mothers themselves, Dr. Maslyak and Dr. Gray fully understand the process of searching for the perfect OB/GYN. They've been on the other side of a gynecological appointment, so they know how to help. It's their mission to make sure every woman that walks into Women to Women OB GYN Care is treated exactly the way she deserves: with empathy, experience, and professionalism.

OBSTETRICS

- ▶ **Normal to High-Risk Pregnancies**
- ▶ **Perinatal and Genetic Counseling**
- ▶ **Infertility Work-up + Management**

As women age and our bodies release less reproductive hormones, the impact on our overall health and well-being can be over-arching. From poor vaginal health, to weight gain and aging skin. Such issues go beyond self-esteem and can often be life-altering.

With this in mind, the physicians at Women to Women OBGYN Care have introduced a laser suite of cosmetic and rejuvenation services into their practice.
