APPOINTMENT CANCELLATION/ NO SHOW POLICY

Advanced Cardiovascular and Vein Center is privileged to provide medical and surgical treatment for our patients. We work diligently to maintain our high level of personalized service and strive to accommodate our patients' needs for office visits in a timely manner. This requires careful planning and coordination among many individuals in our office.

We understand that emergencies arise from time to time for our patients, just as they do for us. However, when a patient cancels an appointment without adequate notice, or simply fails to keep an appointment, we cannot use that time to serve the needs of our other patients. Therefore, we have developed this policy regarding failure to keep appointments or cancelling appointments without adequate notice. We respectfully request your understanding and agreement to our policy as it is stated below.

NEW PATIENTS

We will give you a reminder call 24 hour in advance of your scheduled appointment. Any new patient who fails to keep an appointment or who cancels or reschedules an appointment less than 24 hours prior to their appointment will be required to pay a fee of $40.00 in order to schedule a new office visit. For Monday appointments, cancellations must be made by noon on the preceding Friday. This fee will have to be paid prior to your next appointment.

ESTABLISHED PATIENTS/ ULTRASOUND (Patients who have previously seen a physician in our practice)

Any established patient who fails to keep an appointment or who cancels or reschedules an appointment less than 24 hours in advance of their appointment will be charged a fee of $25.00 per occurrence. For Monday appointments, cancellations must be made by noon on the preceding Friday.

If an established patient fails to keep three appointments, or fails to give adequate notice on three occasions, the practice will have the right to dismiss that patient.

FEES

All fees charged by Advanced Cardiovascular & Vein Center pursuant to this No Show/Cancellation policy are not payable by your insurance company.

All fees are payable on or before your next office visit with Advanced Cardiovascular & Vein Center physician or Ultrasound Tech or within 30 days of receipt of a billing statement from Advanced Cardiovascular & Vein Center for that fee, whichever is earlier.
Your physician may waive your "no show" fee for good cause shown. To request that this fee be waived, you must email a written request and explanation to the following address: acvcenter@gmail.com . Please enter your Advanced Cardiovascular & Vein Center doctor's name in the subject line of the email. If you do not have access to a computer, you may write a letter to Advanced Cardiovascular & Vein Center appeals, 172 W. University Pkwy Ste A, Jackson, TN 38305. Attention: Clinical Director.

Please remember that it is your responsibility to make certain that we have updated, accurate phone numbers so that we may contact you.

PATIENT FINANCIAL POLICY

In order to reduce confusion and misunderstanding between our patients and the practice, we have adopted the following financial policy. If you have any questions, please discuss them with our billing staff or office manager. We are dedicated to providing the best possible care and service to you and regard your complete understanding of our financial policies as an essential element of your care and treatment.

- Unless other arrangements have been made in advance by either you or your health coverage carrier, full payment for office services are due at the time of service. For your convenience we will accept VISA, or MasterCard.
- Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you if you assign the benefits to the doctor – in other words you agree to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within a reasonable period, we will have to look to you for payment. If we later receive a check from your insurer we will refund any overpayment to you.
- We have made prior arrangement with many insures and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the co-payment at the time of services. We will collect the co-payment when you arrive for your appointment.
- If you have insurance coverage with a plan with which we do not have a prior agreement, we will prepare and send the claim for you an unassigned basis. This means your insurer will send the payment directly to you. Therefore, our charges for your care and treatment are due at the time of the service.
- All health plans are not the same and do not cover the same services. In the event your health plan determines a service to be "not covered", you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.
- For all services provided in the hospital, we will bill your health plan. Any balance due is your responsibility and we will bill you for these balances.
- For all services rendered to minor patients, we will look to the adult accompanying the patient and the parent or guardian with custody for payment.
- In order to provide the best possible service and availability to all our patients; please call us as early as possible if you know you will need to reschedule your appointment.
- I have read and understand the financial policy of the practice and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time to time by the practice.
- The practice does accept monthly payments on large balances. The account must be kept current with a payment made every month. In the event this account is placed with a collection agency you will be responsible for all collection fees and or attorney fees.
