

# SOURCE ONE

*Village* Physical Therapy

To our patients,

SourceOne Physical Therapy has recently affiliated with Glen Rose Medical Center & Monticello Health Services, and is now a part of their outpatient network of providers. We are excited about this transition and affiliation and know that it will increase our opportunity to better serve our patients and their communities.

Through this process, there will be some paperwork and administrative changes, but the care that we have been providing you will continue under the close supervision and expertise of our doctors of providers. In the future, billing, billing statements and clinic forms will be from the Glen Rose Medical Center and Monticello Health Services.

Joining Glen Rose Medical Center and Monticello Health Services will allow us to access more insurance networks, physicians, patients and increase our operational standards to the Joint Commission Accreditation.

We will continue to meet the needs of you, your family and friends through the same compassionate, quality care that we have for all these years.

Sincerely,

SourceOne Physical Therapy
