NARCOTICS AGREEMENT

Prior to receiving any controlled substances from our practice, you must be aware of the risks, benefits, and other potential options available to you. You must read and agree to abide to the following:

- ❖ I understand that controlled substances may be addictive. My physician has explained the risks, benefits and alternatives to the use of controlled substances.
- ❖ No prescriptions will be refilled over the phone during or after business hours. Regular business hours are Monday through Friday 8:00am to 5:00pm.
- ❖ Please allow 24 – 48 hours for medication refills to be taken care of.
- ❖ Lost / Stolen medications or prescriptions will not be replaced unless a police report has been filed and a copy has been provided to the practice.
- ❖ Driving or operating heavy machinery is strictly prohibited while taking controlled substances.
- ❖ In order to ensure that I am using the medication appropriately as well as to rule out the illegal substances. I agree in cooperating to random drug screenings.
- ❖ I agree not to obtain any controlled substance from any other physicians and/or other sources.
- ❖ I am currently not pregnant nor do I intend to become pregnant. Should I become pregnant or choose to try to become pregnant, I will immediately notify my physician. I understand that usage while pregnant may cause fetal abnormalities.
- ❖ Use of alcohol is prohibited while taking controlled substances.
- ❖ I agree to use only one pharmacy. It is my responsibility to notify the physician if I choose to change my pharmacy.
- ❖ I understand that monthly visits will be required for the purpose of prescribing opiates and determining the effectiveness of my treatment and my compliance with the above contract. Should the physician feel that I have violated any terms of the above contract, I understand that I will be terminated from the prescribing relationship between myself and my physician.

Privacy Notice

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

1. OUR PLEDGE REGARDING MEDICAL INFORMATION

The privacy of your medical information is important to us. We understand that your medical information is personal and we are committed to protecting it. We create a record of the care and services you receive at our organization. We need this record to provide you with quality care and to comply with certain legal requirements. This notice will tell you about the ways we may use and share medical information about you. We also describe your rights and certain duties we have regarding the use and disclosure of medical information.

1. OUR LEGAL DUTY

Law Requires Us to:

1. Keep your medical information private.
2. Give you this notice describing our legal duties, privacy practices, and your rights regarding your medical information.
3. Follow the terms of the current notice.

We Have the Right to:

1. Change our privacy practices and the terms of this notice at any time, provided that the changes are permitted by law.
2. Make the changes in our privacy practices and the new terms of our notice effective for all medical information that we keep, including information previously created or received before the changes.

Notice of Change to Privacy Practices:

1. Before we make an important change in our privacy practices, we will change this notice and make the new notice available upon request

2. USE AND DISCLOSURE OF YOUR MEDICAL INFORMATION

The following section describes different ways that we use and disclose medical information. Not every use or disclosure will be listed. However, we have listed all of the different ways we are permitted to use and disclose medical information. We will not use or disclose your medical information for any purpose not listed below, without your specific written authorization. Any specific written authorization you provide may be revoked at any time by writing to us at the address provided at the end of this notice.

FOR TREATMENT: We may use medical information about you to provide you with medical treatment or services. We may disclose medical information about you to doctors, nurses, technicians, medical students or other people who are taking care of you. We may also share medical information about you to your other health care providers to assist them in treating you.

FOR PAYMENT: We may use and disclose your medical information for payment purposes. A bill may be sent to you or a third-party payer. The information on or accompanying the bill may include your medical information.

Victims of Abuse, Neglect, or Domestic Violence: We may use and disclose medical information to appropriate authorities if we reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may share your medical information if it is necessary to prevent a serious threat to your health or safety of others. We may share medical information when necessary to help law enforcement officials capture a person who has admitted to being part of a crime or has escaped from legal custody.

Workers Compensation: We may disclose health information when authorized or necessary to comply with laws relating to workers compensation or other similar programs.

Health Oversight Activities: We may disclose medical information to an agency providing health oversight for oversight activities authorized by law, including audits, civil, administrative, or criminal investigations or proceedings, inspections, licensure or disciplinary actions, or other authorized activities.

Law Enforcement: Under certain circumstances, we may disclose health information to law enforcement officials. These circumstances include reporting required by certain laws (such as reporting of certain types of wounds), pursuant to certain subpoenas or court orders, reporting limited information concerning identification and location at the request of a law enforcement official, reports regarding suspected victims of crimes at the request of a law enforcement official, reporting death, crimes on our premises, and crimes in emergencies.

Appointment Reminders: We may use and disclose medical information for purposes of sending you appointment postcards or otherwise reminding you of your appointments.

Alternative and Additional Medical Services: We may use and disclose medical information to furnish you with information about health-related benefits and services that may be of interest to you, and to describe or recommend treatment alternatives.

3. YOUR INDIVIDUAL RIGHTS

You Have a Right to:

1. Look at or get copies of certain parts of your medical information. You may request that we provide copies in a format other than photocopies. We will use the format you request unless it is not practical for us to do so. You must make your request in writing. You may get the form to request access by using the contact information listed at the end of this notice. If you request copies, we will charge you \$0.25 for each page, and postage if you want the copies mailed to you. Contact us using the information listed at the end of this notice for a full explanation of our fee structure.
2. Receive a list of all the times we, or our business associates shared your medical information for purposes other than treatment, payment, and health care operations and other specified expectations.
3. Request that we place additional restrictions on our use or disclosure of your medical information. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in the case of an emergency).
4. Request that we communicate with you about your medical information by different means or to different locations. Your request that we communicate your medical information to you by different means or at different locations must be made in writing to the contact person listed at the end of this notice.
5. Request that we change certain parts of your medical information. We may deny your request if we did not create the information you want changed or for certain other reasons. If we deny your request, we will provide you a written explanation. You may respond with a statement of disagreement that will be added to the information you want changed. If we accept your request to change the information, we will make reasonable efforts to tell others, including people you name, of the change and to include the changes in any future sharing of that information.

QUESTIONS AND COMPLAINTS

If you have any questions about this notice or if you think that we may have violated your privacy rights, please contact us. You may also submit a written complaint to the U.S. Department of Health and Human Services. You may contact us to submit a complaint or submit requests involving any of your rights in Section 4 of this notice by writing to the following address:
