

Welcome to Naturkur Wellness Center!

Here are parking directions to make getting here easy for you.

This is our building called Union Bay Plaza. It has a clock tower and a Swedish Primary Care facility so you can't miss it! We are upstairs on the right.

4530 Union Bay Place NE 98105, Suite 210

We are wheelchair accessible, the elevator is in the left hand corner of the building next to the designated accessible parking space located right out front.

There are a few coveted 2-hour customer parking spots right out front, if you are lucky enough to get one of those, congratulations!

Otherwise, plan on parking in the parking garage just south of our building.

In between our building and the entrance to the parking garage is a dangerous donut shop called General Porpoise. You'll need to walk briskly by that to get from the garage to our clinic and then back again.

The parking garage is in the Burke and Union apartment building where a Key Bank is opening, you can see it here:

Free parking is available in any of the unmarked spaces for up to two hours. The parking garage hours are 8:00 am - 7:00 pm Monday-Friday and 9:00 am - 2:00 pm Saturday.

After hours, the garage door will close and lock so please be mindful of the time. If you miss the closing time and your car gets locked in, please call us for assistance at 206-762-4823.

Once you are parked, walk out of the garage to the sidewalk and turn right. From there it is a 10 second walk passing General Porpoise to get to our building. The staircase is centrally located or the elevator is in the left corner. Our clinic is located at the far right end of the building on the second floor.

To map directions to the garage, the garage address is 4516 Union Bay PL NE, 98105

We look forward to seeing you and helping you discover and recreate your best self!

Yours,

The Naturkur team
