

Infant & Child CPR

Class topics include:

- Discussion and manikin practice
- Mouth-to-mouth-and-nose rescue breathing
- Signs of circulation and chest compressions
- 1 rescuer CPR
- Relief of a choking infant or child
- Infant and child safety checklist (including information such as: a car, indoor, outdoor and firearms safety)
- CPR for Family and Friends Textbook

Classes are held in the North Austin Medical Center's Women's Center. Take Mopac North to the Duval exit (follow the blue H signs indicating hospital) and stay on the feeder road until the main entrance of the hospital. Then follow the signs to the Women's Center. Go up one flight of stairs to the Austin Area OBGYN office waiting room. Class starts promptly at 6:30 pm. If you are not present at 6:30 pm you will need to reschedule and pay for another class.

Course cost: \$40.00 per person

Class size is limited; therefore you must call and pre-pay to guarantee a place in the class. Registration fee is non-refundable.
