AN ETERNITY OF FABULOUS.

The underlying layers of the dermis are the building blocks to beautiful facial and body contours. Morph these building blocks with fractional skin treatments for a more natural and radiant looking contour.
Visible results can be seen within a few days, but typically after three weeks the most noticeable results appear. Improvements continue up to three months after treatment.

**WHAT IS THE BENEFIT OF FRACTIONATED ENERGY?**
Fractionated RF energy is a scientifically proven method to reduce wrinkles and rebuild collagen and fat. It is minimally invasive, using a matrix of micro pins to renew deeper layers of the skin with almost no patient downtime.

RF energy heats the deep layers of the skin in a controlled way to revitalize the collagen. The treatment will improve skin complexion and texture for a more radiant and youthful appearance.

**WHAT AREAS CAN BE TREATED?**
Morpheus8 can be used on any areas that can benefit from sub-dermal renewal. The most commonly treated areas include the lower face and neck. Areas of the face and body that exhibit wrinkles, discoloration or acne scarring are suitable for treatment.

**HOW MANY TREATMENTS WILL I NEED?**
Depending on your Morpheus8 treatment regime you can expect to have between 1-3 sessions.

**CAN THIS BE USED IN COMBINATION WITH OTHER TREATMENTS?**
Yes, Morpheus8 can be used in the same treatment session, or a few days after other treatments.

**WHEN CAN I PUT MAKE-UP ON AFTER TREATMENT?**
Since patient downtime is minimal, makeup can be applied 1 to 2 days after the treatment. Patients should expect to see micro lesions a few days after treatment and slight redness for up to 1 week depending on treatment parameters.

**WHAT KIND OF POST PROCEDURE CARE IS REQUIRED?**
Patients should moisturize the treatment area and avoid direct sun exposure. It is also recommended that patients use a good, broad spectrum sunscreen every day. In addition to reducing their future risk of skin cancer, sunscreens also reduce wrinkles and slow the aging process.
