Due to my dental problem and past experiences with dentists, I was very impress and delighted with Dr. Ko's honesty and integrity on his practice. My former dentists wasn't truthfull which resulted in my previous teeth being problematic and I ended with spending more money patching the teeth problems that keeps coming back. Dr. Ko told me what would fix the problems and will cost less than patching temporary as my previous dentists did. His service and staff and his hygienist are very knowledgeable, thorough, and took time examining and cleaning my teeth and explained well what need to be done and what the cost would be.

I chose to see Dr. Ko based on recommendations from my Nextdoor 'neighbors' and am very glad that I did. From the minute I walked in I was greeted so warmly and professionally by the entire staff who took the time to ask about me, my family and my dental issues. Dr. Ko was very professional, knowledgeable and offered straight forward information about my situation. I felt very confident that I was receiving the best care possible by Dr. Ko and his staff. As I'd seen other dentists and was not very satisfied with the level of care or consistency of staff it was a relief to find Dr. Ko and his staff who have been with him for many years. I highly recommend his practice to anyone who has had poor experiences with their dental visits in the past or is looking for a change.

I had my regular dental cleaning done by Maria today. She performs her work in such calm, professional, caring, friendly way that my visit to her is not something that is to be tolerated for my own good but a relaxing, even a session that i actually enjoy. I am grateful to Dr. Ko, Maria, and Kathy for excellent dental care - my teeth were in embarrassingly poor shape due to years of negligence when I came to Dr. Ko. Today, I have all healthy teeth and take good care.

Best dental office ever! The staff are all amazing and take time with each patient to make sure all their needs are met and that you understand all your options. They dealt with the major anxiety that I originally came in with with kid gloves which made me more comfortable with every visit. They treat you like family and I actually look forward to going to the dentist for the 1st time!

Had two great experiences with Dr. Ko. The first was a regular checkup and cleaning which was so gentle I actually fell asleep during the cleaning! His staff was very courteous, friendly, and clearly very skilled. The second experience was during a procedure where Dr. Ko replaced two old fillings. The numbing shots were very gentle, Dr. Ko is completely calm and at ease, and the procedures went so smoothly I actually dozed off during parts of it! This is by far my best experience with a dentist so far, I'm very happy I found them and will be a long term customer for sure.

Support staff is exceptional and friendly. The doctor was thorough in his exam. There were teeth he could have stated were problematic but after testing them, he declared that they were fine. He did diagnose one cavity and while he cautioned me that it might need a crown, he opted to do a filling first as a conservative approach. The process to put the filling in went well and he declared that there was no need for a crown - that indicated to me that he wasn't trying to come up with excuses to do more expensive work. He seemed knowledgeable, thorough, and professional. I was pleased with the service.

I Wish I had gone here 30 yrs ago. Dr. Ko's clinic is next door to our family doctor. Our dentist, who we saw for more than 30 years, retired and we had to find a new dentist. After an appointment with our doctor, I decided to walk into Dr. Ko's office, and I'm glad I did. It was a very welcome feeling as soon as i entered the door. Ester introduced me to the staff and Dr. Ko. On my first appointment, Dr. Ko laid out my dental game plan after Kathy took a full mouth x-ray, and provided me with a very thorough explanation of what my procedure will entail. Afterwards, Maria, the dental hygienist, cleaned my teeth so well that I felt I shouldn't eat for days because I didn't want food particles between my clean teeth (just kidding!). Two weeks later Dr. Ko did my first procedure, i.e., a crown, which went very well and I am extremely satisfied with the result.

Is that a TV in the dental office? Does it work? Why does it stay off? ABS news is on in the reception area. It would be nice to stare at something

other than the lights and tiles on the ceiling... and once the dental work gets started, I'm too nervous to ask about the TV with all the tools in my mouth. Other than that, I am very happy with the quality of services provided for which I come. Don't get me wrong, I'd rather have quality dental work than a TV any day!

Dr. Ko is brilliant! I never thought I would look forward to going to a dentist, but that all changed when I first met Dr. Ko about 20 years ago. He is highly trained and an exemplary dentist. Furthermore, he is highly professional, friendly and genuinely concerned about one's concerns.. I have maintained a healthy smile for many years, thanks to Doctor Ko and his very special assistant, Maria, who has cleaned my teeth for as long as I can recall. I recently had Doctor Ko do porcelain veneers on my front teeth, and couldn't be happier! Everyone remarks about how beautiful my teeth are! I love Dr. Ko and his dental family that includes Maria, Kathy, his lab lady and his receptionist Darlene. Doctor Ko is fortunate to have these wonderful, friendly ladies working with him! It's a real pleasure to trust in Doctor Ko!

Maria was very kind and careful when she cleaned my teeth. At 51, I am starting to have exposed roots which are quite sensitive. So she applied some kind of fluoride coating and topical anesthetic that really helped. My teeth felt clean and for the first time my gums actually didn't hurt. My last appointment was with Dr. Ko for a filling replacement. He was also very kind and careful. The procedure was painless and pretty quick. These people make a great team!

Review for Maria Grewohl

I am a very picky person. Experiences in the past have shown me that I can choose the best. If I don't see the hygienist, or dentist or even the person at the desk being sensitive to me, I can choose not to continue. Some dentists, etc don't care like the used to. Dentist Ko, Maria, Liz and Darlene and others I might not know names are a excellent team. They all have gifts to help in their area. They are our family place and I am so happy as well as my 3 children. They took the fears away with the sensitivity and professionalism they have. Insurance papers etc., so well explained and helpful as Darlene knows her stuff. God bless the KO team.

I had a root canal the week before, and the doctor had to go through an existing crown, so I now needed a filling. Dr. Ko was extremely thorough in explaining the procedure before we got started. He allowed me to talk freely about my concerns and extremely low threshold for pain. He was very

careful and patient. I was relieved to have almost no pain during the filling. Dr. Ko will definitely be my dentist for as long as I live in Pleasanton!

The desk manager welcomed me as I entered the office. My dental technician Maria was very gentle and kind during my cleaning. I did take extra strength Tylenol an hour before the appointment to minimize pain. I was somewhat surprised that the dentist doesn't visit patients during routine cleanings and checkups. So, this review isn't really about Dr. Ko, but about his office staff.

Review for Maria Grewohl

Wonderful office! So friendly and welcoming. Dr. Ko and his staff are wonderful! Darlene was so helpful when it came to insurance, and Kathy and Maria were so nice! I usually dislike going to the dentist, but Dr. Ko and

his staff were great! It was even easy to make an appointment with my busy schedule.

Review for Maria Grewohl

Dr. Ko and his assistants/staff provide outstanding dental work in a calm and very friendly environment. Whether it's a filling, crown, a (simple or complex) bridge, or preventive treatment (xrays, cleaning, etc.) you need, you can be sure the work will be done correctly and meticulously. I've had MANY dentists in my life, but Dr. Ko is the best, by far.

Review for Maria Grewohl

It's always a good visit to the office of John Ko, as everone there is personable and makes you feel welcome and comfortable. Cleaning and dental work is always done in a prompt and efficient manner, with patient comfort a primary consideration. I've been fully satisfied with all dental work

performed and actually enjoy my visits there. Granted it's not a trip to the Park, but if one needs to visit a dentist I'd certainly recommend they go see John Ko. - Mick Duarte

Review for John Ko

I love Dr. Ko and his staff! They are very thorough and explain everything along the way. Darlene at the front desk went over my bill with me before I even had the procedure. Wonderful! No surprises when the bill comes in the mail next month. You can even make payments - for those bigger bills. I had a cracked molar and needed a crown. I have not had much dental work done at all, so i was a little apprehensive. Dr. Ko and Kathy (who assisted him with my procedure) were great. They explained everything that they were doing and were gentle, but worked quickly. I'm not a big fan of major dental work (who is?), but I will definitely be sticking with Dr. Ko and his staff for all my dental needs!
