Elation **PASSPORT**

Elation Passport is an online portal where you can securely share and communicate with Dr. Treyzon. You can also message the doctor with non-urgent questions and find your visit summaries, lab results, and upcoming appointments.

Steps to create an Elation Passport Account:

You will need an invitation from our office, computer with Internet connection, and cell phone with texting capabilities.

1. **Check your email for an invitation from our office**
Use the email address you shared with our office
2. **Accept our email invitation**
Click on "Click Here to Register for Passport"
3. **Check your text messages on your cell phone for a verification code**
A verification code will be sent to your cell phone at the number listed. If you do not receive a verification text message with the code, contact us to correct your phone number and obtain your code.
4. **Create a password**
This password must be at least 12 characters and include a number and one special character.
Write this down at the bottom of this page or in a safe spot.
5. **Enter the invitation code**
Enter the verification code received from your text message or our office and click "Submit."

If you have any issues creating your account, logging in, or registering, consult the FAQ page located beneath your name or call our office at 310-652-4472.
