

Mission Bay Chiropractic

Missed or Canceled Appointment Policy

In the event that you find it impossible to keep your scheduled appointment, our office requires at least 24 hours notice so that we may attempt to fill the appointment time and offer it to other patients in need.

A fee will be charged if you miss or cancel your appointment with less than 24 hours notice:

\$25 fee for a cancelled Chiropractic Appointment
\$40 fee for a cancelled Massage Appointment

We kindly ask that you arrive and be ready within five minutes of your appointment. If you know that you will be late, please give us a call so that we can try to accommodate you or see if we need to reschedule your appointment.

Thank you for your understanding.
