

Curriculum Vitae

MARK JOSEPH KELLY, M.D. Diplomate, American Board of Urology

Birth date: May 24, 1956

Birthplace: Niagara Falls, New York

Office:
2811 Wilshire Boulevard
Suite 810
Santa Monica, CA 90403

Telephone: (310) 829-0039

Facsimile: (888) 721-1105

CA Medical License: G55252

DEA License: AK3231204

NPI: 109 388 9263

Board Certification: The American Board of Urology.
Original certification, 1992
Recertification, 2002, 2011.
Certificate of Completion of Practice Assessment Protocol-
Evaluation/Management of Clinically Localized Prostate Cancer,
October 26, 2016

Professional Associations:

American Urologic Association,
Diplomate, American Board of Urology
Western Section of the American Urological Association
California Urological Society
American Association of Clinical Urologists
California Medical Association
Member, International Continence Society
Société Interationale D'Urologie

Recent Acknowledgements:

America's Top Surgeons, 2018
Castle Connolly selection, 2018 Top Doctors in Southern California
U.S. News & World Report: Top Urologists in America
America's Top Urologists, Consumer Research Council
LA's Top Doctors, Los Angeles Magazine
Marquis Who's Who in American Medicine
Patient's Choice Award, American Registry

Hospital Affiliations:

Providence-Saint John's Health Center

Chief of Urology

Committee Membership:

Surgery Committee
Co-Chair Prostate Cancer Multidisciplinary Conference
Cancer Committee
Surgical Safety Committee
Infectious Disease Committee

John Wayne Cancer Institute

Assistant Professor of Urological Oncology,

Santa Monica-U.C.L.A. Medical Center

Educational Background:

Undergraduate College:

State University of New York (SUNY) at Buffalo
B.A.: Cell and Molecular Biology (1974 –

Postgraduate Research:

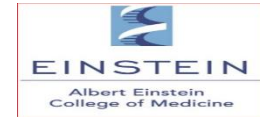

Department of Oncologic Epidemiology
Roswell Park Memorial Cancer Institute
Buffalo, New York (1978-80)

Investigation of “Health Belief Model in Cervical Cancer Screening “
among various ethnic groups in Buffalo, New York.

Medical School:

Albert Einstein College of Medicine of Yeshiva University
Bronx, New York (1980 – 1984)

Surgical Residency:

Postgraduate years 1 and 2
General Surgery (1984 – 1986)
Kaiser Foundation Hospital, Los Angeles, CA

Postgraduate years 3 and 4
Clinical Urology (1986 – 1989)
Kaiser Foundation Hospital, Los Angeles, CA
General Urology, Urological Oncology, Urolithiasis, Dysfunctional
Voiding, Male Factor Infertility, Pediatric Urology, Andrology
rotations.

Postgraduate year 5 (1989)
Laboratory research
U.C.L.A. Department of Surgical Oncology
Tumor Immunology Laboratory
Investigation of Tumor Infiltrating Lymphocytes in Renal Cell
Carcinoma

Postgraduate year 6 (1990)
Chief Residency in Urology
Kaiser Foundation Hospital, Los Angeles, CA
Gary E. Leach, M.D., Chief of Service
Stanley A. Brosman, M.D., Director of Residency Training

Special Training and Certification:

-Laser Certifications:

- Holmium Laser
- Nd: YAG, CO2 Laser,
- Greenlight Laser

-Extracorporeal Shock Wave Lithotripsy Certification (AUA)

-California State Fluoroscopy Certification

-Microsurgery Training Certification, Microsurgery Research Institute, San
Francisco, California

- Contigen Implant Training
- Visual Laser Ablation of Prostate. Harbor-U.C.L.A. Medical Center (August 1992)
- Use of the Holmium/Nd: YAG Laser in Urological Surgery. Workshop and Hands-On Training UCLA Medical Center November 1994
- Endourology / Ureteroscopy, AUA Surgical Learning Center. Houston, Texas
- Radiofrequency Tissue Ablation Training (TUNA), VidaMed Training Course, Irving, CA (April 1996)
- Basic and Advanced Laparoscopic Surgery in Urology, AUA Surgical Learning Center, Houston, TX (July 1997)
- Endo-Urologic and Ureteroscopy Certification (AUA Training Center, Houston, Texas)
- Indigo Interstitial Laser Ablation of the Prostate, Beverly Hills, CA (August 2000)
- Renal and Prostate Targeted Cryoablation Training Symposium, Columbia Presbyterian Hospital, NY, NY (October 2000)
- Laparoscopy for the Urologist: Didactic and Hands-On Animal Laboratory USC Department of Urology 2001
- Hand-Assisted Laparoscopic Nephrectomy Course: Didactic/Hands-On Laboratory USC Department of Urology
- Targeted Cryoablation for Urologic Applications. Regional Training workshop. USMD Surgical Center. Arlington, Texas. 2007
- Minimally Invasive Surgical Techniques in Urologic Surgery, Ethicon Endo-Surgery Research Laboratory, Cincinnati, Ohio
- High Frequency Ultrasound (HiFu) Ablation of Prostate Cancer Training Seminar, Toronto, Canada 2007
- Da Vinci Robotic Surgery Console Certification – Intuitive Surgical Training Institute, UC Irvine. 2007
- Advanced Laparoscopy Training. AUA Hand-on training. Baylor Medical School. November, 2011
- Advances in Prostate Imaging and Focal Ablative Treatment of Prostate Cancer. NYU School of Medicine 6/21/2013
- AUA Consensus Conference on Small Renal Masses, held at University of Southern California Department of Urology. Hosted by Dr Indiber Gill. Thursday, 10/23/2014.
- Attendee, AUA special skills program for Hands-On Training in the laparoscopic and robotically assisted surgery of Small Renal Masses. USC. October 24-25, 2014.
- Advances in Prostate Imaging and Ablative Treatment of Prostate Cancer. Department of Urology and Radiology. New York University School of Medicine. Langone NYU Medical Center. New York City June 19-20, 2015.

-1st USC Annual Conference PRACTICAL UROLOGY: USC Aresty Conference Center, USC Norris Medical Center, Los Angeles California. February 4-6 2016.

-Comprehensive HiFu Training Program with MRI-TRUS Fusion Biopsy. Presented by the University of Southern California Institute of Urology. March 29, 2016.

-Men's Health Advanced User Training Course: Erectile Dysfunction and Male Incontinence. Sponsored by Boston Scientific. Denver, CA. April 8-9, 2016.

-Advances in Prostate Imaging and Focal Ablative Treatment of Prostate Cancer. NYU School of Medicine June 17-18, 2016.

-MRI, Targeted Biopsy, Intervention and Biomarkers and Prostate Cancer Management. UCLA Meyer and René Luskin conference Center, UCLA Campus. Los Angeles California September 19-10, 2016.

-89th Annual Società Italiano Urologica (SIU) Conference. Palazzo del Casino. Venezia, Italia. October 16-19, 2016.

-2nd USC Annual Conference: PRACTICAL UROLOGY. USC Aresty Conference Center, USC Norris Medical Center, USC Campus. January 26-28, 2017,

-Advances in Prostate Imaging and Focal Ablative Treatment of Prostate Cancer. NYU School of Medicine June 16-17, 2017.

-3rd USC Annual Conference: PRACTICAL UROLOGY. USC Aresty Conference Center, USC Norris Medical Center, USC Campus. February 1-3, 2018.

-Participant. *Men's Health Experienced Users Course*. Didactic and Cadaver Lab. Hands-on training of AUS Implant, AdVance Sling and AMS700 Inflatable Penile Prosthesis. Boston Scientific EDUCare program. March 9-10. Long Beach, CA.

-MRI, Targeted Biopys, Intervention and Biomarkers in Prostate Cancer Management. UCLA. March 22, 2018

-Advances in Prostate Imaging and Focal Ablative Treatment of Prostate Cancer. NYU School of Medicine June 17-18, 2018.

-4th USC Annual Conference: PRACTICAL UROLOGY. USC Aresty Conference Center, USC Norris Medical Center, USC Campus. 1/31/2019-2/2/2019, 2019.

Recent Presentations:

-The use of multiparametric MRI Imaging in the Management of Clinically Localized Prostate Cancer. St. John's Health Center Multidisciplinary Tumor Board. September 8, 2014.

-Squamous Cell Carcinoma of the Penis. Natural History, Epidemiology, Diagnosis, Staging and Management. St. John's Health Center Multidisciplinary Tumor Board. April 10th, 2014.

-Active Surveillance for Men with Low-Risk Adenocarcinoma of the Prostate. "Who Is a Candidate for Surveillance, Who Is Not?" Providence-Saint John's Multidisciplinary Tumor Board. September 11, 2014.

-Reconciling the R.E.N.A.L. Nephrometry Tool and the updated NCCN Management Guidelines for Kidney Cancer. "Upholding Oncological Principles and Avoiding Chronic Kidney Disease." Providence-Saint John's Health Center's Multidisciplinary Tumor Board. December 11, 2014.

-Tumor Board Presentation. Providence-Saint John's Health Center Multidisciplinary Tumor Board. November 12, 2015. Santa Monica, California.

- Topics: 1. Current Management of Renal Angiomyolipoma
2. Update of NCCN Management of Pathological T2 Bladder Cancer.

-Grand Rounds. Providence-Saint John's Health Center. Santa Monica. The Evaluation and Management of Urinary Retention in the Acute Care Setting. November 11, 2015.

- Nephron Sparing Surgery vs Ablation for Hilar Renal Cell Carcinoma. Case Presentation and Literature Review. Providence-Saint John's Health Center Multidisciplinary Tumor Board.

-Clinical Stage I vs Clinical Stage II Seminoma. Nuances and Assessing Treatment Guidelines. Providence-Saint John's Health Center Multidisciplinary Tumor Board. April 13, 2017

-Focal Ablation for Locally Advance Prostate Cancer. JWCI Multidisciplinary Tumor Board. March 5, 2018.

-A Tale of Two Bladders- High-Grade Non-muscle Invasive Bladder Cancer and Muscle Invasive Bladder Cancer: Evolving treatment paradigms. Providence-Saint John's Health Center Multidisciplinary Tumor Board, Providence-Saint John's Health Center. Santa Monica April 11, 2018.

-Current Management Options for Pathological Stage IA and IB Seminoma. Providence-Saint John's Health Center Multidisciplinary Tumor Board, Providence-Saint John's Health Center. Santa Monica. May 10, 2018.

-Newly Diagnosed Prostate Cancer...What you need to know. Presented at the 2018 Prostate Cancer Research Institute Conference. Marina del Rey, Ca. September 7, 2018
