COMPLETE HEALTH MEDICAL
CONSENT TO TREAT

I hereby request and consent to the performance of chiropractic manipulation and manual therapy techniques and other chiropractic procedures, including various modes of physical therapeutic modalities and procedures and diagnostic X-rays, where warranted, on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future work at the clinic or office listed below.

I have had an opportunity to discuss with the doctor of chiropractic named below the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment and diagnostic services including but not limited to:

Manipulation: increased pain or discomfort, fractures, disc injuries, strokes, dislocations and sprains.

Therapeutic Modalities and procedures: additional pain and discomfort. Endurance exercise may cause increased risk of acute Myocardial Infarction (heart attack) in patients with known or possible cardiac conditions.

Radiographs: ionizing radiation can be harmful to a fetus for those who are pregnant or might be pregnant.

I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest. The doctor named below has additionally explained the risks associated with my refusal of treatment.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
