Patient Insurance and Financial Responsibilities

I understand I am expected to provide ABC Children's Eye Specialists with ALL of my insurance information. This includes any secondary plans such as AHCCCS. I also understand I will provide ABC Children's Eye Specialists with the correct information or I will be responsible for payment and subject to a $15.00 billing fee.

I understand I am expected to pay for services at the time services are rendered. Depending on my insurance plan this may be payment in full, co-payment, deductible amount, and/or co-insurance. If I am a self-pay patient, I understand payment is expected to be made in full at the time of service. **I understand that if I have an unmet deductible I will be required to pay:**

- **$100 for an established patient visit**
- **$125.00 for a new patient visit**
- **$200.00 for surgery**

The difference between the amount paid and insurance allowable will be refunded pending insurance review.

If my insurance is a managed care plan and/or any AHCCCS plan, it is my responsibility to be sure that all necessary referrals or authorizations are obtained prior to my appointment. Although we will do our best to obtain your auth/referral, it is still your responsibility. If the appropriate referral or authorization is NOT obtained, my appointment will be cancelled until the information is obtained.

I understand that even if services may be pre-authorized, not all services may be covered or paid by my insurance plan. These services may include visual fields, refractions and sometimes even office visits.

I understand that I am financially responsible for any charges incurred by me. I also understand that any appropriate fees will be added to my account balance if you are forced to send my account to an outside collection agency to collect payment.

- I understand that I will incur a $50.00 rescheduling fee after 2 no shows of regular office visits. A 24 hour notice must be given in order to avoid this fee.
- I understand I will incur a $100.00 rescheduling fee for any pre-operative appointment that is rescheduled without medical necessity and a note from a physician.
- I understand I will incur up to a $250 rescheduling fee for any surgery that is rescheduled without medical necessity and a note from a physician.

I understand my credit card will be on file to be charged with or without notice for any rescheduling fees I incur.
