

Mikeal Love, M.D.

May 1, 2019

It is with mixed emotions that I am announcing my retirement from active practice, effective June 15, 2019. It has been a great pleasure providing for your health care needs over the years.

I can wholeheartedly recommend the physicians at Gynics Associates, 512-451-3131. We have shared after-hours call for the past 4 years and have very similar approaches to women's healthcare. For patients charting Natural Family Planning, I recommend Dr. Blake Weidaw at Vitae Clinic at 512-458-6060. You may also consult your healthcare insurance provider directory or member services for assistance in finding another physician.

If you need a refill on medications, please call the office for an appointment as soon as possible.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission. Please sign the enclosed authorization form and return it to my office as soon as possible so we may transfer your records to your new doctor. You must specify a fax number or full mailing address for the proper transfer. The email address to send requests is drmrlove@mikeallove.com and the fax number will remain as 512-476-6168.

I have greatly valued our relationship, and thank you for your loyalty and friendship over the years. Best wishes for your future health.
