

BIOBIBLIOGRAPHY

Leonard Gordon, M.D.
2299 Post Street, #103
San Francisco, CA 94115

EDUCATION

University of the Witwatersand Medical School, Johannesburg	M.B.B.Ch		1966-1971
Westminster Hospital, London		General Surgery Elective	1970
Johannesburg General Hospital Professor D.J. DuPlessis	Intern	General Surgery	1/72 – 7/72
University of Connecticut Medical Center	Intern	Rotating Surgery	7/72 – 7/73
Stanford University Stanford, California	Lecturer in Anatomy	Surgical Examination (EDIN) for FRCS	7/73 – 7/74
University of California San Francisco	Resident	General Surgery	7/74 – 7/75
University of California San Francisco	Fellow	Microsurgery	7/75 – 7/76
University of California San Francisco	Resident	Orthopaedic Surgery	7/76 – 7/79
Harvard Medical School Massachusetts General Hospital, Boston	Fellow	Hand Surgery	1/80 – 1/81

PRIOR POSITIONS AND APPOINTMENTS

Stanford University Lecturer, Department of Anatomy			7/73 – 7/74
Ralph K. Davies Medical Center San Francisco, California			
Attending Surgeon			1/81 – 7/85
Co-Director, Microsurgery Research Laboratory			1/81 – 7/85
Private Practice, Hand and Microsurgery			1/81 – 7/85
University of California, San Francisco Department of Orthopaedic Surgery			
Assistant Clinical Professor			8/82 – 6/88
Associate Clinical Professor			7/88-present
Director, Hand and Microsurgery Service Dept. of Orthopaedic Surgery			1980-7/92
Director and Attending, Hand Surgery Clinic			1/81 – 7/91
Lecturer in Anatomy, UCSF Microsurgery Laboratory			8/82 – 7/91
Microsurgery Consultant to the Surgeon General Letterman Army Medical Center			1986-1992
Oak Knoll Naval Hospital			1986-1988
Director, Hand and Microsurgery Research Laboratory Medical Research Institute, California Pacific Medical Center, SF			7/91-2000
Chief of Hand Surgery, Dept. of Orthopaedic Surgery California Pacific Medical Center			1992-2008

BIOBIBLIOGRAPHY

LEONARD GORDON, M.D.

Page 2

CURRENT POSITIONS AND APPOINTMENTS:

Managing Partner, Post Street Orthopaedics & Sports Medicine	2007-present
Managing Director, Post Street Surgery Center	1991-present
Director, Hand and Microsurgery Medical Group, Inc.	1981-present
Practicing Surgeon – Hand and Microsurgery	
Post Street Surgery Center	1991-present
California Pacific Medical Center	7/91-present
University of California, San Francisco	7/81-1996
Mount Zion Hospital and Medical Center	7/81-1992
Petaluma Valley Hospital	10/95 –12/07
Director, San Francisco Foundation for Microsurgery	6/91-present
Associate Clinical Professor, UCSF Department of Orthopaedic Surgery	7/88-present
Associate Adjunct Professor, UCSF Department of Anatomy	9/88-present
Qualified Medical Examiner, State of California Division of Worker’s Compensation #907520	1987-present

HONORS AND AWARDS:

University of California, San Francisco Senate Research Grant	1975
Research Grant, Drown Foundation: award of \$95,000.00 per year for the study of limb preservation	1990/1991
University of California, San Francisco School of Medicine, Teaching Awards Department of Anatomy Student Award	
Outstanding Lecture	1985/1992
Outstanding Lecture Series	1990/91/94
Nominated: Outstanding Lecture	1990/1991
Honorable Mention, Kaiser Award for Excellence in Teaching	1987
Nominated: Kaiser Award for Excellence in Teaching	1984/1999

LICENSES AND CERTIFICATES:

Fellow, Royal College of Surgeons, Edinburgh (primary)	1974
California Medical License #A26770	1976
California FLEX Examination	1976
American Board of Orthopaedic Surgeon, Board Certified	1982
Added Qualifications in Hand Surgery	1989
Training Course for Endoscopic Carpal Tunnel Release- 3M Ortho Division Training Course for Endoscopic Release	1991
Physician’s Assistant Supervisor #SA23214 - 7/22/94	1994
X-ray Supervisor and Operator #RHD143057	1996

BIOBIBLIOGRAPHY

LEONARD GORDON, M.D.

MEMBERSHIPS:

LeRoy C. Abbott Orthopaedic Society
San Francisco Medical Society
American Medical Association
California Medical Association
Massachusetts General Hospital Hand Club
American Society for Surgery of the Hand
International Society for Reconstructive Microsurgery
American Academy of Orthopaedic Surgery #017936
American Society for Reconstructive Microsurgery
American Society for Peripheral Nerve
American Association of Clinical Anatomists
American Board of Forensic Examiners
Western Orthopaedic Association
Northern California Chapter, Western Orthopaedic Association
California Society for Industrial Medicine

SERVICE TO PROFESSIONAL ORGANIZATIONS:

American Society for Surgery of the Hand Microsurgery Committee	1984-85
American Society for Reconstructive Microsurgery Program Committee	1987
Forward Planning Committee	1991-92-93
American Society for Surgery of the Hand Self Assessment Examination Committee	1992-93
Site Selection Committee	1991-92-93
American Society for Surgery of the Hand – Journal Committee	2002-2005

SERVICE TO SCHOLARLY JOURNALS AND PUBLICATIONS:

Editorial Board, <u>Microsurgery</u>	1986-2008
Editorial Board, <u>Orthopaedic Update</u>	1991-92
Consultant Reviewer, <u>Journal of Bone and Joint Surgery</u>	1993-present
Consultant Reviewer, <u>The Lancet</u>	1995

PRESENTATIONS AT SCIENTIFIC MEETINGS AND SOCIETIES:

Veterans Administration Hospital: Micro-neurosurgery Course PRESENTATION: Autogenous Nerve Grafting	3/76
American Society of Plastic and reconstructive Surgery PRESENTATION: Rib Island Transplantation with Overlying Skin Flap by Microvascular Anastomosis	1976
American Society for Surgery of the Hand PRESENTATION: Fresh vs. Predegenerated Nerve Auto-Grafts in Motor Defects in the Rat	1977
American Society of Plastic and Reconstructive Surgery PRESENTATION: Replantations of Multiple Digits Following Avulsive or Crushing Injuries	1977
Orthopaedic Research Society PRESENTATION: Histological Changes in Skeletal Muscle After Temporary Independent Occlusion of Arterial and Venous Supply	1977

BIOBIBLIOGRAPHY

LEONARD GORDON, M.D.

Page 4

Presentations cont...

American Society for Surgery of the Hand

PRESENTATION: Heterotopic Free Muscle Autotransplantation in the Primate Utilizing a Long Nerve-Graft 1979

Massachusetts General Hospital, Symposium on Emergency Medicine

PRESENTATION: Emergency Treatment of hand injuries 1980

International Microsurgery Symposium, Anaheim

PRESENTATION: Toe-to-Thumb Transplantation 1981

American Academy of Orthopaedic Surgeons

PRESENTATION: Symposium on Results in Microsurgery 5/81

16th Annual Scientific Program of the LeRoy Abbott Orthopaedic Society, UCSD, Dept of Orthopaedic Surgery

PRESENTATION: Management of Brachial Plexus Injuries 8/81

American Society of Plastic and Reconstructive Surgery

PRESENTATION: Microvascular Scalp Island Transplant Between Identical Twins 1981

ICA Conference on Rehabilitation

PRESENTATION: The Role of Microsurgery in Rehabilitation of the Hand 1982

17th Annual Scientific Program of the LeRoy Abbott Orthopaedic Society, UCSF, Dept of Orthopaedic Surgery

PRESENTATION: Limb Salvage Procedures by Microsurgical Free Tissue Transfers 5/82

American College of Surgeons Meeting, San Francisco, CA

PRESENTATION: Case Presentation of Osteocutaneous Composite Flap from the Groin for Treatment of Acute Traumatic Loss of Metacarpals and Dorsal Skin of the Wrist 5/82

Western Orthopaedic Association, Albuquerque, NM

PRESENTATION: Limb Salvage Procedures Utilizing Microsurgical Tissue Transplantation: Report of 175 Cases 10/82

American Physical Therapy Association, California Chapter, Monterey, CA

GUEST LECTURER: Rehabilitation Following Microvascular Surgery to the Hand 10/82

American Association for Hand Surgery, Maui, HI

PRESENTATION: Serial Quantitative Skin Surface Fluorescence: A New Method for Postoperative Monitoring of Vascular Perfusion in Replanted Digits 10/82

American Association of Plastic and Reconstructive Surgery, Honolulu, HI

PRESENTATION: 1. Microvascular Serratus Anterior Transplantation 10/82
2. Clinical Microvascular Muscle Transplantation: Experience with 116 Cases

California Society of Plastic Surgeons, Scottsdale, AZ

PRESENTATION: Limb Salvage Techniques Utilizing Microsurgical Technique 3/83

American Society for Surgery of the Hand, Anaheim, CA

PRESENTATION: Serial Quantitative Skin Surface Fluorescence: A New Method for Postoperative Monitoring of Vascular Perfusion in Replanted Digits 3/83

American Association of Plastic Surgery, Boston, MA

PRESENTATION: 1. Limb Salvage Utilizing Microvascular Tissue Transplantation 4/83
2. Use of Quantitative Fluorescein Measurements in Assessing Viability of Replanted and Transplanted Parts: Experience with 224 Cases

Page 5

Presentations cont...

- San Francisco Nurses Association, Orthopaedic Patient Care Conference, San Francisco, CA
PRESENTATION: Care of Microsurgical Patients 9/83
- Western Orthopaedic Association, Northern Chapter, Chapter Meeting, Santa Rosa, CA
PRESENTATION: Limb Salvage by Microsurgery 9/83
- American Society for Surgery of the Hand, San Francisco, CA
Faculty Lecturer: Regional Review Course
PRESENTATION: Fractures of the Hand 10/83
- Massachusetts General Hospital, Invitational Conference of Osteochondral Allografts, Faculty, Boston
GUEST LECTURER: Vascularized Bone Transplantation 11/83
- Fort Miley Veterans Administration Rheumatology Group
VISITING LECTURER: Surgery for Rheumatoid Arthritis of the Hand 11/83
- Bay Area Woodworkers Association, San Francisco, CA
PRESENTATION: Woodworking Injuries and Safety 1/84
- American Society for Reconstructive Microsurgery, Inaugural Meeting, Las Vegas, NV
PRESENTATION: Use of the Serratus Anterior Muscle Flap to Treat Extensive Soft Tissue Defects in the Hand 1/84
- American Society for Surgery of the Hand, 39th Annual Meeting, Atlanta GA
PRESENTATION: Simultaneous Double Toe Transplantation for Multiple Amputations 2/84
- American Academy of Orthopaedic Surgery, Atlanta, GA
PRESENTATION: The Use of Microsurgical Free Tissue Transplantation for Extremity Salvage and Reconstruction: A Ten Year Experience 2/84
- 19th Annual Scientific Program of the LeRoy C. Abbott Orthopaedic Society, UCSF, San Francisco
PRESENTATION: Hand Reconstruction for Multiple Amputations by Double Microvascular Toe Transplantation 5/84
- American Academy of Orthopaedic Surgery, San Diego, CA
Microsurgery Course
PRESENTATION: 1. Congenital Pseudoarthrosis of the Tibia 9/84
2. Limb Salvage Procedures by Microvascular Surgery
- United States Army, Letterman Hospital, Dept of Orthopaedic Surgery, San Francisco
GUEST LECTURER: Microsurgery 8/84
- Arthritis Foundation
PRESENTATION: Hand Surgery in Rheumatoid Arthritis 9/84
- California State Bar Meeting, Monterey
PANELIST: Worker's Compensation and major Limb Injuries 9/84
- Lodi Memorial Hospital, Microsurgery Update
PRESENTATION: Indications for Replantation 10/84
- American College of Surgeons, San Francisco
PANELIST: Reconstructive Microsurgery 10/84
- San Francisco Orthopaedic Review Course, San Francisco
PRESENTATION: Microsurgery 1984

BIOBIBLIOGRAPHY

LEONARD GORDON, M.D.

Page 6

Presentations cont...

- San Francisco Orthopaedic Review Course
CHAIRMAN: Anatomy Section
PRESENTATION: Brachial Plexus Anatomy 1985
- Letterman Army Medical Center Dept. of Orthopaedics
PRESENTATION: Flap Coverage of the Hand 2/85
- Brookside Hospital, Grand Rounds, San Pablo, CA
PRESENTATION: Update on Microsurgery 3/85
- Mount Zion Hospital Rehabilitation Program
PRESENTATION: The Use of Surgery in the Management of Rheumatoid Hand Problems 4/85
- San Francisco Board Review Course, Holiday Inn, San Francisco
PRESENTATION: 1. Anatomy of the Brachial Plexus
2. Current Use of Microvascular Surgery in Orthopaedics 5/85
- Arthritis Foundation Symposium, Arthritis Month
PRESENTATION: The Use of Surgery in Rheumatoid Hand Problems 5/85
- Bay Area Hand Therapy Associates, San Francisco
PRESENTATION: Anatomy of the Upper Extremity 5/85
- American Society for Surgery of the Hand, Clinical, Reconstruction Upper Extremity Microsurgery, San Francisco, CA
PRESENTATION: 1. Monitoring in Microsurgery 10/85
2. Internal Fixation in Replantation
- American Academy of Orthopaedic Surgery, Orthopaedic Trends and Techniques for Nurses, San Francisco, CA
PRESENTATION: Advances in Microsurgery 11/85
- American Academy of Orthopaedic Surgery, Instructional Course, New Orleans, LA
PRESENTATION: Soft Tissue Cover in the Hand 2/86
- American Society for Reconstructive Microsurgery, Instructional Course, New Orleans, LA
COURSE CHAIRMAN: Lower Extremity Microsurgery 2/86
- American Society for Reconstructive Microsurgery, New Orleans, LA
DISCUSSANT: Microsurgical Bone Transplantation presented by M.B. Wood, M.D. 2/86
- Advances and Controversies in Clinical Pediatrics, San Francisco
PRESENTATION: Microsurgery in Pediatrics 5/86
- 21st Annual Scientific Program of the LeRoy C. Abbott Orthopaedic Society, UCSF, San Francisco
PRESENTATION: Microsurgical Treatment of Major Heel and Sole Defects 5/86
- Natividad Medical Center, Natividad, CA
PRESENTATION: Hand Injuries in the Emergency Room 9/86
- Western Orthopaedic Association
PRESENTATION: Treatment of Segmental Defects and Infected Nonunions of the Tibia with
Stage Microvascular Muscle Transplantation 10/86
- American Academy of Orthopaedic Surgery, Instructional Course Lecture, San Francisco, CA
PRESENTATION: Coverage Problems in the Upper Extremity 1/87
- University of California, San Francisco: Continuing Medical Education
COURSE CHAIRMAN
PRESENTATION: Hand Problems in the Emergency Department 2/87

BIOBIBLIOGRAPHY

Page 8

Presentations cont...

- University of California, San Francisco: Research Conference, Dept of Anesthesia
PRESENTATION: The Allen's Test 6/89
- American Society for Reconstructive Microsurgery, Seattle, WA
PANELIST: Extremity Reconstruction – Simultaneous Versus Delayed Double Free Tissue Transfer for Combined Soft Tissue and Bone Loss
PRESENTATION: 1. Analysis of Objective Allen's Test 9/89
2. Monitoring of Digital Venous Congestion: An Experimental Study in Healthy Human Subjects
- Fifth Annual Meeting of the American Society for Reconstructive Microsurgery, Seattle, WA
PRESENTATION: 1. Analysis of Objective Allen's Test 9/89
2. Four Methods of Analysis of Digital Venous Congestion: An Experimental Study in Healthy Subjects
- American Society for Surgery for the Hand, Regional Review Course in Hand Surgery, San Francisco, CA
PROGRAM CHAIRMAN
PRESENTATION: 1. Amputation and Replantations 10/89
2. Elective Microvascular Surgery
- Western Orthopaedic Association, Anaheim
PRESENTATION: 1. Analysis of Objective Measurement of Digital Circulation 10/89
2. Objective Measurement of Digital Circulation
- Monterey Community Hospital Grand Rapids, Monterey
PRESENTATION: 1. Emergency Free Flaps 11/89
2. Indications for Replantation
- University of California, San Francisco: School of Dentistry, Dept of Oral and Maxillofacial Surgery
PRESENTATION: Principles of Microsurgery 2/90
- Community Hospital of Santa Cruz, Santa Cruz, CA
PRESENTATION: Emergency Care of Common Hand Injuries 3/90
- University of California, San Francisco: Continuing medical Education, Emergency Dept Car of Major and Minor Hand Problems
COURSE CHAIRMAN
PRESENTATION: 1. Anatomy of the Hand: Important Structures and Surface Anatomy
2. Emergency Department Examination and Diagnosis of Hand Problems
3. Soft Tissue Injuries: The Cut Nerve, tendon, Vessel 4/90
4. Compartment Syndromes
5. Closed Space Infections
6. Major Hand Injuries: Amputation vs. Replantation
- University of California, San Francisco Primary Care Grand Rounds, San Francisco
PRESENTATION: 1. Carpal Tunnel Syndrome
2. Advances in Emergency Medicine
3. Dupuytren's Contracture 4/90
- University of California, San Francisco: Department of Medicine, San Francisco
PRESENTATION: 1. Advances in Emergency Medicine
2. Carpal Tunnel Syndrome 4/90
3. Dupuytren's Contracture
4. Trauma of the Hand

Presentations cont...

- University of California, San Francisco: Transplant Immunology, Research Conference, San Francisco
PRESENTATION: Problem Areas in Limb Allografting 4/90
- Western Orthopaedic Association, Northern California Chapter, Annual Scientific Meeting Yosemite, CA
PRESENTATION: Diagnosis and Treatment of Distal Radioulnar Joint Problems 4/90
- University of California, San Francisco: Dept of Oral Surgery, Grand Rounds
PRESENTATION: Principles of Microsurgery 5/90
- 25th Annual Scientific Program of the LeRoy C. Abbott Orthopaedic Society, UCSF, Dept of Orthopaedic Surgery, San Francisco
PRESENTATION: Biomechanical Analysis of Flexor Tendon Repair 5/90
- University of California, San Francisco: Dept of Medicine, Immunology/Arthritis Section
PRESENTATION: Evaluation and Management of Rheumatic Hand Problems 6/90
- Salinas Valley Memorial Hospital, Salinas, CA
PRESENTATION: Management of Hand Injuries, Amputation vs. Replantation 7/90
- Navtividad Medical Center, Salinas
PRESENTATION: Diagnosing Hand Injuries 7/90
- American Society for Surgery of the Hand, 45th Annual Meeting, Toronto, Canada
PRESENTATION: A Comparison of the Modified Kessler Stitch with a Z-plasty Technique:
The Role of the Epitendinous Stitch Versus the Core Stitch in the Strength
of Flexor Tendon Repair
POSTER: The Role of the Epitendinous Stitch in Flexor Tendon Repair 9/90
DISCUSSION: Toe Transplantation: A 10 Year Experience (paper by Kazaturu Dui)
- American Society for Reconstructive Microsurgery, 6th Annual Meeting, Toronto, Canada
PRESENTATION: 1. Oxygen-Free Radicals and Patterns of Blood Flow in Post-Ischemic Skin
and Skeletal Muscle 9/90
2. High Patency Rate Following Anastomosis of Crushed Vessels
- Annual Meeting of the American Society for Surgery of the Hand, Toronto, Canada
PRESENTATION: The Role of the Epitendinous Stitch in Flexor Tendon Repair 9/90
- Western Orthopaedic Association, 54th Annual Meeting, San Antonio, TX
PRESENTATION: Biomechanical Analysis of Flexor Tendon Repair 10/90
- Annual Meeting of the Western Orthopaedic Association, San Antonio, TX
PRESENTATION: Biomechanical Analysis of Flexor Tendon Repair 10/90
- University of California, San Francisco: Dept of Orthopaedic Surgery
PROGRAM CHAIRMAN
PRESENTATION: 1. Anatomy of Hand: Important Structures and Surface Anatomy
2. Emergency Department Examination and Diagnosis of Hand Problems
3. Soft Tissue Injuries
4. Compartment Syndrome 3/91
5. Fingertip Injuries
6. Closed Space Infections
7. Major Hand Injuries: Amputation vs. Replantation
- University of California, San Francisco: Dept of medicine, 7th Annual Advances in Emergency Medicine
PRESENTATION: Hand Emergencies 4/91

BIOBIBLIOGRAPHY

Page 10

Presentations cont...

University of California, San Francisco: Dept of Internal Medicine – To Medical Personnel

PRESENTATION: Carpal Tunnel Syndrome 4/91

ICA Conference – 401 Diagnostic, San Francisco

PRESENTATION: Carpal Tunnel Syndrome – Ergonomics and Causation 4/91

Plastic Surgery Research Council Meeting, Charlottesville, VA

PRESENTATION: Fetal Fracture Healing in a Limb Model 5/91

26th Annual Scientific Meeting of the LeRoy C. Abbott Orthopaedic Society, UCSF, San Francisco, CA

PRESENTATION: The Sauve-Kapandje Procedure for the Treatment of Post-Traumatic Distal Radioulnar Joint Problems 5/91

Worker's Compensation Section Meeting, San Francisco

PRESENTATION: Carpal Tunnel Syndrome 6/91

Clinical Conference Doctors Hospital of Pinole, CA

PRESENTATION: 1. Major Hand Injuries
2. Amputations vs. Replantation 6/91

The Sanderson Lecture Series, St. Joseph Medical Center, Stockton, CA

PRESENTATION: 1. "Cause, Presentation and Treatment of Carpal Tunnel Syndrome"
2. "What's New in Hand and Microsurgery" 9/91

Ninth Residents and Fellows Conference of the American Society for Surgery of the Hand, Orlando, FL

PRESENTATION: A New Method of Limb Preservation 10/91

55th Annual Meeting of the Western Orthopaedic Association, Tucson, AZ

PRESENTATION: 1. An Advance in Preservation of Amputated Limbs, Pulsatile Perfusion vs. Surface Cooling
2. Versatility of the Latissimus and Serratus Anterior Muscle Transplants in Providing Cover for Exposed Hardware and Endoprosthesis 10/91
3. The Serratus Anterior Muscle Free Tissue Transfer for Coverage of Soft Tissue Defects of the Palm of the Hand

10th Annual Meeting of the Society for Magnetic Resonance in medicine, San Francisco, CA

PRESENTATION: Amputated Limbs are Preserved Better by Pulsatile Perfusion vs. Surface Cooling 10/91

UCSF Primary Care Grand Rounds, San Francisco, CA

PRESENTATION: Rheumatoid Arthritis of the Hand 11/91

Hand Injuries in the Work Place

COURSE CHAIRMAN

PRESENTATION: 1. The Terminology of Upper Extremity Anatomy and Pathology-A-Glossary for the Non-Medic
2. Cumulative Trauma Disorders Etiology
3. Carpal Tunnel Syndrome 3/92
4. Acute Injuries of the Upper Extremity (The Injured Nerve, tendon and Ligament)
5. Major Injuries

Continuing Medical Education, Emergency Dept Care of Major and Minor Hand Problems

COURSE CHAIRMAN

PRESENTATION: 1. Anatomy of the Hand: Important Structures and Surface Anatomy
2. Emergency Department Examination and Diagnosis of Hand Problems
3. Soft Tissue Injuries: The Cut Nerve, Tendon, Vessel 5/92
4. Compartment Syndromes
5. Closed Space Infections
6. Major Hand Injuries: Amputation vs. Replantation

Presentations cont...

- 25th Annual Advances and Controversies in Clinical Pediatrics: Dept of Pediatrics, UCSF, San Francisco, CA
PRESENTATION: Advances in the Treatment of Congenital Hand Disorders 5/92
- 5th Annual Western Orthopaedic Association Meeting, Monterey, CA
PRESENTATION: "The Effect of Wearing a Wrist Splint on Intracarpal Pressure During the Performance of Repetitive Task" 10/92
- Critical Care Nurse Specialist, California Pacific Medical Center, San Francisco
PRESENTATION: "Microsurgery for the Critical Care Staff" 11/92
- Cumulative Trauma Disability and Rehabilitation Program, Sponsored by UCSF and the University of Michigan
San Francisco Hilton, SF, CA
PRESENTATION: "Cumulative Trauma of the Upper Extremity" 12/92
- San Francisco Industrial Claims Association, San Francisco, Ca
PRESENTATION: "Hand and Upper Extremities Repetitive Stress Injuries and Treatment" 3/93
- California Pacific Medical Center, Emergency Services Department, San Francisco, CA
PRESENTATION: "Hand Care in the Emergency Room" 10/93
- California Pacific Medical Center, California Campus, San Francisco, Ca
PRESENTATION: Grand Rounds "Hands" 11/93
- Review and Update for the Practicing Orthopaedic Surgeon Sponsored by the American Society for
Orthopaedic Surgery, San Francisco, CA
PRESENTATION: The Hand 12/93
- Emergency Dept Care of Major Hand Problems, California Pacific Medical Center, San Francisco, CA
CHAIRMAN
PRESENTATION: 1. "Anatomy of the Hand: Important Structures and Surface Anatomy"
2. Emergency Dept Examination and Diagnosis of Hand Problems 2/94
3. Soft Tissue Injuries: The Cut Nerves, Tendon, Vessels
4. Compartment Syndromes
5. Mallet Finger, Boutonniere and Finger Tip Injuries
6. Major Hand Injuries: Amputation vs. Replantation
- Hand Injuries in the Work Place, San Francisco Surgicenter, San Francisco
CHAIRMAN
PRESENTATION: 1. Understanding the Terminology of Upper Extremity Anatomy and
Pathology – A Glossary or the Non-Medical 2/94
2. Cumulative Trauma Disorders – Etiology
3. Carpal Tunnel Syndrome
4. Acute Injuries of the Upper Extremity (The Injured Nerve, Tendon and Ligament)
5. Wrist Problems in the Workplace
- Advances in Internal Medicine, UCSF, Dept of Medicine, Sheraton Palace Hotel, San Francisco, CA
PRESENTATION: Advances in the Diagnosis and Treatment of Carpal Tunnel Syndrome 5/94
- Arthritis: Surgery and Rehabilitation, California Pacific Medical Center, San Francisco, CA
PRESENTATION: Treatment of Arthritis with Hand Surgery 5/94
- The Hand Forum – A Combined Program of Hand Surgeons from UK + USA, Scotland
PRESENTATION: Microvascular Flaps in the Hand – A Prospective 6/94

BIOBIBLIOGRAPHY

PRESENTATION: Hand and Upper Extremities: Repetitive Stress Injuries 6/94
- Cumulative Trauma, Industrial Claims Association, ICA Classroom, San Francisco, CA
PRESENTATION: Hand and Upper Extremities: Repetitive Stress Injuries Including Basic Anatomy 6/94
- Advances in Internal Medicine, UCSF, Dept of Medicine, Sheraton Palace Hotel San Francisco, CA
PRESENTATION: Advances in the Diagnosis and Treatment of Carpal Tunnel Syndrome 6/94
- Educational Forum, California Pacific Medical Group, San Francisco
PRESENTATION: Fractures and Splinting 9/94
- American Society for Surgery of the Hand Regional Review Course in Hand Surgery, Sacramento, Ca
PRESENTATION: Amputation and Replantation 10/94
- Kaiser Permanente Medical Care Program, California Workers Compensation Division, Oakland, CA
PRESENTATION: Cumulative Trauma in the Upper Extremity 10/94
- University of California, San Francisco, Department of Rheumatology: Rheumatology Conference
PRESENTATION: Entrapment Syndromes (Part 1) 10/94
- Agora Development Services, "Upper Extremity Injuries, Grasp the Problems, Reaching the Solutions",
Berkeley Marina Marriott
PRESENTATION: Upper Extremity Injuries in the Work Place 11/95
- California Pacific Medical Center, Pediatric Grand Rounds, San Francisco, CA
PRESENTATION: "Examination of the Hand" 2/96
- Emergency Dept Care of Major and Minor Hand Problems, California Pacific Medical Ctr, San Francisco, CA
PRESENTATION: 1. "Anatomy of the Hand; Important Structures and Surface Anatomy"
2. Emergency Dept. Examination and Diagnosis of Hand Problems 2/96
3. Soft Tissue Injuries: The Cut Nerves, Tendon, Vessels
4. Compartment Syndrome
5. Mallet Finger, Boutonniere and Finger Tip Injuries
6. Major Hand Injuries: Amputation vs. Replantation
- From the Elbow to the Hand: A Current, Practical Approach to Problem Solving: American Academy of
Orthopaedic Surgeons, Fairmont Hotel, San Francisco
PRESENTATION: 1. Flexor Tendon Repair and Rehabilitation 5/96
2. Clinical Case Management/Moderator
3. Replantation and Amputation: Indications and Outcomes
- American Society for Surgery of the Hand 51st Annual Meeting, Opryland Hotel, Nashville, TN
PRESENTATION: "Flexor Tendon Repair Using a Stainless Steel Internal Splint" 9/96
- Upper Extremity Repetitive Stress Disorders Northbay Workers Compensation Association,
Red Lion Inn, Rohnert Park, CA
PRESENTATION: Cumulative Trauma in the Work Place 11/96
- American Society for Orthopaedic Surgery: The Hand and Wrist: Practical Surgical Skills for Common
Problems, Rosemont, IL
PRESENTATION: 1. Live Video Surgical Demonstration "Operative Exposures of the Forearm
and Forearm Fasciotomy
2. CMC Arthrosis – Evaluation, Decision Making, Operative Tactics and Outcomes 12/96

Presentations cont...

First Semester Lecture Series: San Francisco Orthopaedic Residency Program
St. Mary's Hospital, San Francisco, CA

PRESENTATION: Replantation and Vascular Injuries 12/96

Topics in Emergency Medicine, University of California, San Francisco

PRESENTATION: Examination and Diagnosis of Hand Problems in the Emergency Department 10/99

California Pacific Medical Center, San Francisco

Course Director

PRESENTATION: Upper Extremity Injuries: Pearls, Pitfalls and New Treatment Options 4/00

California Pacific Medical Center, Orthopedic Grand Rounds

PRESENTATION: Internal Anchors for Flexor Tendon Repair 7/00

The Use and Abuse of Worker's Compensation in the Upper Extremity

Samuel Merritt College

PRESENTATION: 1. The Most Important Exam – AOE/COE 12/00
2. Chronic Pain After Acute Injuries – What Then?

Diablo Valley Industrial Claims Association

PRESENTATION: Repetitive Stress Syndrome and Other Conditions of the Upper Extremities 2/01

University of California, San Francisco

PRESENTATION: Topics in Emergency Medicine 11/06

HealthOne 16th Annual Symposium Current Issues of MRI, San Francisco, CA

PRESENTATION: Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine 8/07

Doctors Demystify Current Science for Experienced Hand Therapist, San Francisco, CA

LECTURE: Wound Healing 10/07

HealthOne 17th Annual Symposium Current Issues of MRI, San Francisco, CA

PRESENTATION: Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine 8/08

American Society of Hand Therapists, Bay Area Chapter, San Francisco, CA

PRESENTATION: Issues in Flexor Tendon Repairs 12/09

55th Annual LeRoy C. Abbott Society Scientific Program and 31st Annual Verne T. Inman Lectureship, San Francisco, CA

PRESENTATION: The Importance of the Flexor Digitorum Superficialis Tendon in Tendon Repair: An Analysis of Anatomy Strength, and Friction 5/10

Orthopaedic Research Society, New Orleans, LA

PRESENTATION: In Situ Comparison of a New Flexor Tendon Repair using Multifilament Stainless Steel Suture with the Savage Technique 3/10

American Society of Hand Therapists, Bay Area Chapter, San Francisco, CA

PRESENTATION: Issues in Flexor Tendon Repairs 6/10

ASME Summer Bioengineering Conference, Naples, FL

PRESENTATION: Multifilament Stainless Steel as a Core Suture Material in Flexor Tendon Repair 6/10

Orthopaedic Research Society, Long Beach, CA

PRESENTATION: Methods Used to Reduce the Force of Flexion Following Primary Flexor Tendon Repair 1/11
