### DISCLOSURE PROCESS AND FEE EXPLANATION LETTER

Dear Patient:

As a patient, you have a right to copies of your medical information. In addition, medical records are legal documents that must be maintained by Hill Country OB/GYN Associates. To assure we are doing everything we can to comply with HIPAA rules and protect the privacy of our patients, we have partnered with Sharecare Health Data Services, a national Release of Information provider, to assist us with this process.

Under federal and state law, Sharecare Health Data Services is allowed to recover certain costs related to making copies of your medical records available to you. The fee we charge is cost-based to include labor, materials and postage as defined by HIPAA and highlighted by the Omnibus Final Rule. How the record is stored and delivered are variable factors affecting the fee.

To minimize this fee, we encourage you to limit your request to just the records that you truly need. Note that on the attached authorization form, there is an option to select a 2-year abstract plus 5 years of labs, radiology, and diagnostics. For many patients, this option is sufficient for their purposes and keeps their bill lower than it otherwise would be.

Please fill out the attached authorization form completely and submit via fax or mail.
