PATIENT AND PHYSICIAN ARBITRATION AGREEMENT

Please read each item below and initial in the space next to it if you understand and agree to the item. Please ask any questions regarding anything that needs to be clarified before initialing or signing this form.

THIS CONTRACT CONTAINS A BINDING ARBITRATION PROVISION WHICH MAY BE ENFORCED BY THE PARTIES AND WHICH WILL ELIMINATE YOUR RIGHT TO HAVE A JURY OR A JUDGE DECIDE ALL ISSUES AND CLAIMS THAT MAY ARISE AS A RESULT OF YOUR AGREEMENT AND DECISION TO REQUEST AND RECEIVE THE ADMINISTRATION OF THE FOLLOWING TREATMENT(S), INCLUDING BUT NOT LIMITED TO CLAIMS OF NEGLIGENCE AND INTENTIONAL ACTS THAT RESULT IN INJURY TO YOU.

PATIENT NAME:____ DATE: ____________________

Article 1: **Agreement to Arbitrate**: It is understood that any claim of malpractice, including any claim that health care services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered or omitted, will be determined by submission to binding arbitration, and not by a lawsuit or resort to court process except as Arizona law provides for judicial review of arbitration proceedings. The patient has the right to seek legal counsel concerning this agreement prior to signing. Both parties to this agreement, by entering into it, have agreed to the use of binding arbitration in lieu of having any such dispute decided in a court of law before a jury. **Initials:** __________

Article 2: **All Claims Must be Arbitrated: It** is the intention of the parties that this agreement bind all patient claims that may arise out of or relate to treatment or services provided by the health care provider including any heirs or past, present or future spouse(s) of the patient in relation to all claims, including loss of consortium. This agreement is also intended to bind any children of the patient whether born or unborn at the time of the occurrence giving rise to any claim. This agreement is intended to bind the patient and the health care provider and/or other licensed health care providers or preceptorship interns who now or in the future treat the patient while employed by, working or associated with or serving as a back-up for the health care provider, including those working at the health care provider's clinic or office or any other clinic or office whether signatories to this form or not. All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the health care provider, and/or the health care provider's associates, association, corporation, partnership, employees, agents and estate, must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress or punitive damages. Filing of any action in any court by the health care provider to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim. However, following the assertion of any claim against the health care provider, any fee dispute, whether or not the subject of any existing court action, shall also be resolved by arbitration.
Initials: __________

Article 3: **Procedures and Applicable Law:** A demand for arbitration must be communicated in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days thereafter. The neutral arbitrator shall then be the sole arbitrator and shall decide the arbitration. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees, witness fees, or other expenses incurred by a party for such party's own benefit. Either party shall have the absolute right to bifurcate the issue of liability and damage upon written request to the proper additional party in a court action, and upon such intervention and joiner any existing court action against such additional person or entity shall be stayed pending arbitration. The parties agree that provisions of state and federal law, whether applicable, establishing the right to introduce evidence of any amount payable as a benefit to the patient to the maximum extent permitted by law, limiting the right to recover non-economic losses, and the right to have a judgment for future damages conformed to periodic payments, shall apply to disputes within this Arbitration Agreement. The parties further agree that the arbitration conducted pursuant to this Arbitration Agreement shall be final and binding. The prevailing party shall be entitled to reasonable fees incurred due to the arbitration, including arbitration fees, counsel fees, witness fees, or other expenses incurred by the prevailing party. **Initials:** __________

Article 4: **General Provision**: All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable legal statute of limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. **Initials:** __________

Article 5: **Revocation:** This agreement may be revoked by written notice delivered to the health care provider within 90 days of signature and if not revoked will govern all professional services received by the patient. **Initials:** __________

Article 6: **Retroactive Effect:** If patient intends this agreement to cover services rendered before the date it is signed (for example, emergency treatment) patient should initial here. Effective at the date of first professional services.
Initials: __________

If any provision of this Arbitration Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive a copy of this Arbitration Agreement. By my signature below, I acknowledge that I have received a copy.

NOTICE: BY SIGNING THIS AGREEMENT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL BINDING ARBITRATION RATHER THAN BY A JURY OR COURT TRAIL - SEE ARTICLE 1 OF THIS CONTRACT.
