

# PUT YOUR BEST FEET FORWARD.

High heeled, slippered or bare.

**B**unions, Hammertoes, corns, callouses, ingrown toenails, painful arches, warts, fungus.... They're unsightly, uncomfortable, and can greatly restrict the movement and style of your life. Your feet aren't supposed to hurt.

Take care of them!

The Podiatric Surgeons listed here

are certified by the American Board of Podiatric Surgery.\* See them for diabetic foot care, sports or dance injuries, and other surgical, reconstructive and preventative problems involving your feet.

\*Certified to perform inpatient (hospital) and outpatient surgery. This list is not inclusive of all podiatrists in this locale certified by the American Board of Podiatric Surgery.
